London, August 15 .- The big battle is near This s shown by tightening of censorship here and following announcement from Belgian Ministry of War:
"In view of present disposition of French and Belgian armies, it has been decided not to make any further announcement of movements of the armies. Government relies on patriotism of the press to maintain abolute silence on military operations."

Seeming slowness of opposing forces to grapple in cisive conflict is due to the fact that rival armies are of unprecedented size. Their vast numbers throw an almost inconceivable burden on the commissariat out the waiting period is now nearly ended.

Germany recognizing that anything short of decisive victory in the first great onset will be disastrous is bringing up forces in enormous numbers. Germany has so much at stake, she may be counted on to make the combat the fiercest in history. She

CONTROL IS PATERNAL

Ship or Goods Cannot be Sold Until After Judicial More Than Suspicion That Emigrants Seek Colonie of Other Nations to Escape Stern Discipline —Presen Sentence-Liability of Neutral Ships For Breach

> (Number Six in a Series of Short Articles on Germany.)

(By Professor W. W. Swanson.) Germany up to 1870 merely consisted of a loose confederation of states bound together by outside pressure and the necessity of pursuing common interests and aims with respect to commerce. only after the Franco-Prussian War that the Em-In order to deprive the captors, as grantees of the Crown, of the right to the prize, if captured in a pire was again able to make a bid for possessi abroad. But Germany arrived late on the scene and found the fairest portions of the world already approwith the common uses of the port as to constitute a part of the port in which the capture is made, and the ship must have come in voluntarily or through stress of weather, and not from a cause connected with "has no place in the sun"; and that although German subjects when they go abroad make ideal colonists, The ship or goods cannot tegany be sold that a term is judicial sentence for the property selzed does not pass to the Crown or its grantees until after the judginement. Neutral property may be condemned when it to her sons to emigrate. There is more than a sustained in a manner. they are lost to the empire. For one thing, the color picion, however, that the Germans who do go abroad are anxious to escape from the iron-like discipline to by a maritime force, the term booty is only appli-cable to property of the character of war material but. which they have been subjected in the Fatherland. Hence they have swarmed by tens of thousands to the colonies of the United Kingdom and to the Unit

ing company which are taken in waters defended by or belonging to a fortress or possession and a Prize Such colonies as Germany posseses are directly un Court has jurisdiction as if they were captured at sea.

A neutral is at liberty to purchase goods or merchant ships from a belligerent, even after war has broken but need to be the colonial field, because there was no broken out, and any transfer where war is not imminent is good against a captor; but, when a state of war exists or is imminent, a transfer by documents is not sufficient to change the property, as against the broken out, and any transfer where war is not imnot sufficient to change the property, as against the was only a branch of the Foreign Office, dealing with the "protectorates"-a sufficiently clear indication o the "protectorates a surface transaction of the protectorates the protectorate the protectorates the p the ship is employed exclusively as a Coast fisherman fice, however, became a separate institution; though or of a small boat employed in local coasting, or of a like all the other imperial offices, it is merely a branch of the activities of the Chancellor, who it wil ship employed on a religious, scientific or philanthropic mission, or of what is known as a cartel, a ship be remembered, is directly responsible to the Empero under a flag of truce exchanging prisoners, negotiating and to him alone

We have already mentioned the bitter plaint of Some Interesting Questions.

the Germans regarding the non-possession of habitsome interesting questions arise as to the liability able colonies. Germany's foreign trade has enorof a neutral ship for a breach of blockade. A ship is mously increased in all parts of the world. He not liable if informed by a warship of the blocking passenger ships, the Vaterland and the Imperator squadron that the port is not blockaded nor if she enters in consequence of an absolute or unavoidable nections have everywhere been extended. All these necessity. Nor is she liable if she leaves a blockaded considerations, it may be mentioned in passing, have port in ballast or with a cargo bona fide purchased and delivered on board before the commencement of has been designed for defence and not offence. been used to justify the claim that Germany's navy

As has been said, the Germans are valued as colon the blockade, but is liable if outside a blockaded port she loads cargo which has been brought out of such ists wherever they go-in the United States, in Canport in another craft. Notice must have reached ada, in South Africa, in Australia and even in India the master of the neutral ship, the simplest form of But there are practically no districts under the Gercourse being by the commander of blockading ship man flag whither they can go. It is estimated that to those on board the neutral ship, but notice is pre- there are some 15,000,000 of Germans living out of sumed when a ship attempts-to come out from a Europe under the protection of foreign flags. In other blockaded port when a blockade has been on for some words, Germany has an expansive population with no direction for that expansion except in countries where fication to neutral powers, notice presumed after a the emigrants are lost to Germany and to the in fluences of German culture.

The present overseas possession of the Empire con sist of Togo and Camerun on the west coast of Afric is fighting not only against enormous forces, but under diplomatic notification must be, as stated in the near the equator; Southwest Africa, which lies beagainst time itself. Russia is treading fast upon her heels and life itself depends on victory in the western may be made if the cargo is contraband, or when it in value owing to the discoveries of diamonds; German East Africa, wedged between British East Africa. man East Africa, wedged between British East Africa is only conditionally contraband if the real destinaand Portuguese territory; a part of New Guinea; the Carolines and Bismarck Archipelago, Samoa and the England's chances runs throughout the article of the "Times" military expert, which says in part: "Lord Kitchener does not find under his hand the means for one of naval or military equipment, it is presumed Carolines and Bismarck Archipelago, Samoa and the port of Kiautschou in China. Of the other parts of the globe outside Europe, where German organization. German enterprises and German money have been the Drill Hall, and orders had been given the sidewalk.
