#### LEUCORRHEA.

Cow calved three weeks ago and expelled the afterbirth in a normal manner. There is quite a copious discharge of yellowish matter. There is always noticed a large quantity when she has been lying down. M. S.

Ans.—This is due to disease of the lining membrane of the womb, and is hard to treat. Give her 40 drops carbolic acid in a pint of cold water, either as a drench or mixed with her food, three times daily, and flush out the womb once daily with a gallon of warm water, to which has been added 1 ounce creolin. This must be injected either with an injection pump or a syringe with a long nozzle. V.

#### CHRONIC SWELLING OF LEG, ETC.

Horse had scratches a year ago. After a time I got the cracks healed, but his leg still swells, and even on exercise does not go down to the normal size. He is well fed and still I cannot get him fat, and he is lifeless. W. K.

Ans.—Chronic swellings of this nature are very hard to reduce. Give him a purgative of 8 drams aloes and 2 drams ginger, and follow up with 1 dram iodide of potassium three times daily for a month. If this affects his appetite, reduce the dose to 40 grains. Get his teeth dressed, feed well, and give regular exercise, and he should improve in condition. V.

#### URINARY TROUBLE—UN-THRIFTY PIGS.

1. Nin-year-old mare is not well. Her urine is milky, and she urinates often. She had a bad spell for two days, would get on her knees and strain, then roll over on her back. She works every day.

2. Pigs, six months old, on grass, and fed peas and shorts. One took sick; refuses food, and lies around. They all seem to be off their feed. They get some shorts, and all the peas in the straw that they will eat. G. C. S.

Ans.—1. Give her a purgative of 8 drams aloes and 2 drams ginger. Give her rest for 4 days; then give her 2 ozs. of the tincture of hyoscyamus in a pint of cold water as a drench, twice daily, until the urinary irritation ceases.

2. This trouble is indigestion, probably caused by eating too much peas. Purge the sick one with 4 ozs. Epsom salts, and feed on bran and milk for a few days. Do not feed the others any peas for a few days. Feed slop and mix a tablespoonful of Epsom salts for each pig, once daily, until their bowels move freely. V.

### Miscellaneous.

#### SUN SPURGE.

T. W. R. A.—The weed you send is Euphorbia helioscopia. It is most commonly called Sun Spurge, and sometimes Wartweed, owing to the fact that its somewhat poisonous, milky juice, is rubbed on warts to remove them. It is an Old-country weed, and there, at least in some localities, goes by the name of Mouse-milk. This is a smooth, round plant, that attains a height of nearly a foot. Its stem breaks up into five equal branches, and each of these again into three flowering branchlets. The smooth, ripulated seeds, are often found as an impurity in clover and garden seeds. In Quebec, it is said to be a common and troublesome weed, especially in gardens. Pains should be taken to prevent its becoming established. J. B.

There were introductions all around. The big man started in a puzzled way at the club guest. "You look like a man I've seen somewhere, Mr. Blinker," he said. "Your face seems familiar. I fancy you have a double. And a funny thing about it is that I remember I formed a strong prejudice against the man who looks like you—although, I'm quite sure, we never met."

The little guest softly laughed. "I'm the man," he answered, "and I know why you formed the prejudice. I passed the contribution plate for two years in the church you attended."

## WHOLE FAMILY WAS AFFLICTED

But Dodd's Kidney Pills Restored All to Perfect Health.

Father, Mother and Daughter after years of suffering are made healthy and happy by great Canadian Kidney Remedy.

St. Leon, Standon, Dorchester Co., Que., October 3.—(Special.)—That Dodd's Kidney Pills have no equal as a family medicine is proved conclusively by the statement of Mr. George Lacasse, a well-known resident of this place. His statement, given for publication, is:

"For twelve years I had pains in the small of my back. My head would ache and my muscles would cramp. Dodd's Kidney Pills cured me."

My wife was troubled with Kidney Disease. Dodd's Kidney Pills cured her.

My little girl had nervous trouble. She was so bad that she could not keep her hands and feet quiet. Dodd's Kidney Pills cured her."

Is it any wonder that Mr. Lacasse is shouting the praises of Dodd's Kidney Pills? He has learned through experience, as have thousands of other Canadians, that Dodd's Kidney Pills cure Kidney Disease, no matter where it appears, or in what form it is found. Dodd's Kidney Pills should always find a place in the family medicine chest.
