The DOMINION PIANO.

Sold in every part of the British Empire.

A Piano to be proud of.

"There's music in the sighing of a reed; There's music in the gushing of a rill; There's music in all things, if men had ears, Their earth is but an echo of the spheres."—Byron.

Not all of us can feel the spell of music, as did Byron; but not one of us can or knowingly would evade the spell or the charm of the Dominion Piano.

For sheer tonal beauty and sweet melody coupled with great delicacy of expression, nothing can excel the responsiveness of this beautiful piano.

We would like you to hear this piano, but before hearing it, send for our catalogue. It will give you some practical particulars of the strength of its construction, the beauty of its appearance, and the money that would be saved by purchasing it in preference to any other instrument. Write now.
