Crippen Scene on the Stage

At the annual court for granting theatrical licenses at Airdrie, the Pa-

vilion Theatre Company applied for a renewal of their license. The chief

constable said the management were

running an entertainment about the

Crippen case, and offered \$10 to any

man who would undergo the execu-

tion scene as was done in the final

act. This resulted in a number of

drunk men going up to the stage and a disturbance taking place. The man-ager said when he heard of the inci-

dent he ordered the scene to be sup?

pressed. The magistrates granted a
