which greatly facilitates the process of teething, by softening the gums, reducing all inflammation—will allay ALL PAIN and spasmodic action, and is Sure to Regulate the Bowels Depend upon it mothers, it will give rest to yourselves, and Relief and Health to your Infants

We have put up and sold this article for over 30 years and can say in confidence and truth of it, what we have never been able to say of any other medicine—NEVER HAS IT FAILED IN A SINGLE INSTANCE TO EFFECT A CURE, when timely used. Several did we know an instance of disordered action by any one who used it. On the contrary, all are delighted with its operations, and speak in terms of highest commendation of its magical effects and medicinal virtues. We speak in this matter "what we do know," after 30 years experience, and pledge our reputation for the fulfillment of what we here declare. In almost every instance where the infant is suffering from pain and exhaustion, relief will be found in fifteen or twenty minutes after the syrup is administered.

This valuable preparation is the prescription of one of the most EXPERIENCED and SKILLFUL NURSES in New England, and has been used with never failing success in THOUSANDS OF CASES. It not only eases the child from pain but invigorates the stomach and bowels, corrects acidity, and gives tone and energy to the whole system. It will almost instantly relieve Gripping in the Bowels, and Wind Colic, and overcome convulsions, which, if not speedily removed, end in death. We believe it is the best and surest remedy in the world in all cases of Dysentery and Diarrhoea in children, whether it arises from teething or from any other cause. We would say to every mother who has a child suffering from any of the foregoing complaints—do not let your prejudices prevent the purchase of this relief that will be sure—yes, absolutely sure to follow the use of this medicine, if timely used. There is so great a difference even in New Pianos, in point of tone and touch, that parties would be consulting their own interest in availing themselves of his professional experience remembering, that without due discrimination and judgment, you often pay more for a worthless instrument than a superior one would amount to, verifying the old adage, "That you have paid too dear for your whistle;" therefore the fee of \$4.00 is absolutely money saved.

Communications post paid directed Mr. Saffery, Dartmouth, Halifax, will be attended to. nov 20 3m

THESE PILLS are purely a vegetable compound carefully selected by medical skill and experience. Although mild in their operation, yet they will be found to be a most efficacious remedy for Indigestion, whether arising from indolence, sedentary occupation, or long continued residence in a confined or unwholesome atmosphere. The action of these Pills will also not only mitigate, but completely correct, that unpleasant and feverish taste of the stomach, producing frequent eructations of sour, nauseating air, spasms, heartburn, &c.,—subduing inflammation, correcting the morbid secretion of a too active or torpid state of the liver,—they remove every unhealthy accumulation till the blood is purified, the whole system renovated, and all the functions act according to nature.
