Wheaton and Mayor J. D. Chambers, Vice-presidents; Dr. J. T. Ruch, Secretary; Mr. Brighton Fielding, Treasurer. The general subject for discussion is 'The Teaching of Jesus. Scripture references, Matthew 3:1-12; Luke 3:1-20. Compare Malachi, chapters 3 and 4.

No more important theme than this one engage men's serious thought. If we are going to have men who have understanding of the time they should learn what the world's greatest Teacher, Jesus of Nazareth, has to say about the Kingdom of God. All are cordially welcomed.

A very sad drowning accident occurred at the railroad bridge at the mouth of the Bear River on Saturday evening last when Henry Rippey, of Annapolis, the electrician for the construction company, fell from the mid-bridge and was drowned. He was a son of Samuel Rippey of Annapolis, and a nephew of Mrs. J. W. Williams, of this town. He and a companion were crossing the bridge to put on the electric lights, when he stumbled and fell over the bridge. His body was recovered on Monday afternoon. The deceased was about 22 years of age. His sad death is a heavy blow to his family and friends.

Acadia Seminary Fair.

The Fair held at Acadia Seminary last Saturday, Nov. 22nd, for the benefit of the Y. W. C. A., proved to be the most pleasant and profitable. The Seminary chapel was taken for the fair ground and looked very bright and attractive with the gaily decorated booths. Occupying the most prominent place were the tables filled with dainty fancy work of all kinds. Photographs were made in one booth; at another corner of all kind were sold and used by tempting people was served.

The Fish Pond was the centre of interest until all the fish were caught. The Puzzle Booth caught every passer by and next to it was the Banner Booth where the banners went like the proverbial 'hot cakes.' Before the Tent of the Witch they stood in line to know the mysteries of their lives. It was possible to find out one's exact weight for five cents regardless of size. The Sid's Soap, which was very amusing and attracted large numbers of people, had to divide honor with its neighbor the Japanese Tea Room, one of the most charming spots. Here pseudo Japanese waitresses served dainty refreshments with truly Japanese surroundings. The young ladies were delighted to see, and appreciated very much the patronage of the many town friends of the Seminary and the students of the different schools. The net profits of the fair were about one hundred and twenty dollars.

After a dainty supper the newly married couple left by the midnight express for their future home in Orills, Ont. The bride received a number of beautiful and useful gifts. Among the guests present were Mr. Baxter Newcombe, a brother of the bride, Mr. W. R. Cox and Mr. and Mrs. Emerson Bigelow, formerly of Canning; Mr. and Mrs. Arthur F. Thomas and Mr. Frank Reid, of Saskatoon; and Mr. and Mrs. A. R. Etter and Miss Fraser, formerly of Wolfville, N. S.—Saskatoon 'Phoenix.'

THE ACADIAN has received the announcement of the marriage of Mr. E. B. Newcombe, of Kentville, and Miss Mabel Louise, daughter of Rev. and Mrs. W. A. Outerbridge. The ceremony was performed at the Methodist church at Nappan on Thursday, Nov. 20th, by the father of the bride, assisted by Rev. George Johnson. The church was prettily decorated for the occasion by the friends of the bride and the wedding was an exceedingly pretty one. The bride, who was for some time a resident of Kentville, is an exceedingly popular and attractive young lady. The bridal couple are making a trip to Boston before settling in their home in Kentville. At the Baptist Church.

Last Sunday the congregation at the Wolfville Baptist church had the pleasure of listening to two spiritually helpful sermons by Rev. W. N. Hutchins, Ph. D., once pastor of the Canning Baptist church and later pastor of the first Baptist church in Truro. Recently Dr. Hutchins has studied at the University of Chicago specializing in Religious Pedagogy and Sociology. He was graduated from that university last spring with the degree of Ph. D. Wolfville people were delighted to hear again one of Acadia's highly esteemed graduates. The subject of the morning message was 'The Comprehensiveness of the Christian Life' which life was shown to be comprehensive in regard to its interests, its endowments, and its ministries. The evening message was 'The Persuasive of the Christian Life' which was shown to be self-realization and fellowship with God as a Father. Dr. Hutchins has a pleasing voice, an elegant diction, an easy flowing movement, and a spiritual insight, all of which give to his preaching a charm and helpfulness which all who hear him must enjoy. Particularly charming is his grace of brevity. We are glad to hear that Dr. Hutchins will occupy the Wolfville Baptist pulpit again next Sunday.

NEARLY DIED OF STONE IN THE BLADDER

GIN PILLS SAVED HIM

323 JAMES ST., HAMILTON, ONT. Five years ago I was taken down with what the doctors called inflammation of the bladder—intense pain in back and loins, and difficulty in urinating, and attacks which became more frequent, amounted to unbearable agony. I became so weak that I could not walk across the floor.

My wife read in the papers about GIN PILLS and sent for a box. From the very first I felt that GIN PILLS were doing me good. The pain was relieved at once and the attacks were less frequent.

In six weeks the Stone in the bladder came away. When I recall how I suffered and how now I am healthy and able to work, I cannot express myself strongly enough when I speak of what GIN PILLS have done for me. JOHN BURNHAM, 174 GIN PILLS, 35c a box—4 for \$1.50. Sent on receipt of price if your dealer does not handle them. Sample free if you write us, mentioning this paper. Money back if GIN PILLS do not give satisfaction. National Drug & Chem. Co. of Canada, Limited, Toronto.
