SAVE THE CHILDREN

Disease is defined as anything less than perfect health. Chiropractic locates and removes the cause of disease by hand adjustment. A weak child will not be a strong adult if it carries its weakness while growing. Many school children have defects which are prejudicial to health. Some have impaired hearing, others defective eyesight, and some have organic heart disease which affects the blood and whole muscular system. Chiropractic will prove a great help to many such cases and no harm to any. It costs you nothing for an examination or for consultation.

WELCOME RELIEF FROM ECZEMA

Complete Treatment That
Gives Gratifying Results

WASING, ONT.

"I had an attack of Weeping Eczema so bad that my clothes would be wet through at times.

For four months, I suffered terribly. I could get no relief until I tried "Fruit-a-tives" and "Sootha-Salva".

Altogether, I have used three boxes of "Sootha-Salva" and two of "Fruit-a-tives", and am entirely well."

G. W. HALL.

Both these favorite remedies are sold by dealers at 50c. a box, 6 for \$2.50, or sent on receipt of price by Fruit-a-tives Limited, Ottawa.

"Fruit-a-tives" is also put up in a trial size which sells for 25c.

Town Topics

Principal A. E. Palmer and wife of the Knight Academy, with Mr. and Mrs. J. F. Anderson, Jr., came up from Raymond on Sunday and attended the afternoon service. Pres. Wood invited them to participate in the evening program, but owing to car troubles, they were not able to remain. We hope to see them again.

Mr. A. T. Henson has a very creditable musical composition in the May Era, it being a Ladies Quartette. The words are by Mrs. Minnie Larson Hodapp entitled "Sweet Evening Star", and our local talent will likely render it in the near future. This is only one of several compositions that Mr. Henson has written in the past six months. During his enforced confinement because of his accident, he has also had time for such work. The Review is glad to see this recognition by the "Era" of our local talent. Mr. Mitchell of the Knight Academy Music Dept. was well pleased with this effort of Mr. Henson's and expressed his congratulations by telephone as soon as he received his Era.

The two swarms—Seniors under Mrs. Luella Smith and Intermediates in charge of Miss McCune, held a very successful Bazaar on Saturday. Their lunches and confectionery were very enjoyable and most of the articles sold well. They were at a slight disadvantage in not being able to secure a location along Main Street on the ground floor, but they offset this by advertising stunts that helped to pull the patrons to the scene of action. The ladies in charge are to be congratulated for their good management, and the girls well they are most energetic and deserve their well earned success. The receipts were gratifying and went over the one hundred dollar mark. It takes the Beehive Girls to do things. The Review extends its congratulations also and wishes further success to the efforts Friday evening. From the singing of the Girl's Chorus in their previous numbers listened to in the Tabernacle, we can promise all who attend the entertainment a thoroughly enjoyable evening.

Due to the illness of our staff, The Review is late this week.

Mrs. W. H. Steed gave a house party Monday evening which was thoroughly enjoyed by all present.

Mrs. M. A. Combs entertained the Stake Presidency and the Presidency of the High Priests Quorum on Tuesday evening. Apostle Richards was the guest of honor.

Mrs. Wm. T. Duce entertained the young people Tuesday evening in honor of Miss Lucy Hatch, of Farmington, Utah, who has been visiting in Cardston the past month. Miss Hatch left for the south on Wednesday's train and will be missed by her many friends here.
