As for herself, she said there was nothing she liked so well as LUXOR ORIENTAL COFFEE.

I am happy to report an exceptionally pure grade of water from a bacteriological point of view, it being sterile both at 37 and 22 degrees centigrade, and there is no fermentation of lactose broth in any amount. I consider this a splendid water.

Very truly yours,

### A Wonderful Opportunity

The amazing story entitled "The Wonderful Heroine" which appeared in the Family Herald and Weekly Star of Montreal, has caused widespread speculation as to the identity of this young and beautiful woman, who by her heroism, self-sacrifice and abounding trust and faith in God, by her sweet purity and astounding courage in the face of unspeakable horrors, came to be regarded as a living saint and the wonder woman of a great Empire. Readers of the Family Herald and Weekly Star are indeed fortunate, because it is now announced that the publishers have secured a beautiful painting of "The Wonderful Heroine," and a reproduction in life original colors, size 18 x 24 inches, will be sent free to all subscribers, new and renewal, who remit in time. With this beautiful and inspiring picture added to the extraordinary value of that great national farm and home journal, it is the bargain of a life time. The subscription of the Family Herald and Weekly Star of Montreal is \$2.00 a year.
