FERRO

Kerosene Engines can be purchased on easy terms which will give a man two years to pay for his Engine, and if fish are plentiful a Ferro Engine will more than pay for itself.

FATHER TIME A SEVERE BUT HONEST JUDGE.

For seven years the Ferro Engine has held the leading place among the Engines used in the Newfoundland fishery. Other Engines have been introduced and have been claimed to be the "ONLY". But Father Time has been their Judge and they fell by the wayside. Hundreds of satisfied users all over Newfoundland declare the Ferro to be the best Engine on the market to-day. Such an enviable and widespread reputation can only be based upon one thing—Actual Merit.

Ferro Users are Ferro Boosters.

The following are a few among the many unsolicited testimonials we are continually receiving from users:—

(Copy.)
La Scie, Oct. 13, 1914.

THE L. M. TRASK CO.
Dear Sirs,—I saw by Advocate where you stated you would wish to hear from every user of a FERRO engine, and receive the number of same, and you would send a spark plug of your new make, or your own make, so I thought I would let you know the number. The number is 4222; it is a 7½ H.P., and to just give you the truth about the engine, it is the best one made. We used it last summer in a large motor boat, a deck boat about 7½ ft. wide, and about 3½ ft. deep, and towed a trap skiff that would bring about 16 or 17 barrels round fish after her, and did good work fast enough, too good for the 9 H.P. F.—; and this year we have the engine in a new trap skiff about 30 ft. long, 6 ft. 10 inches wide, 33 inches deep, and cares for nothing here; and there is lots of engines here of different quality.

The 8 H.P. A— is here in a boat about the same size and they cannot do it, and for some time the A—, F— and all is here have plenty of trouble, and we have not had one hour's trouble since we had the FERRO engine. I say it is the best here.

Wishing you every success, I am,
Yours sincerely,
(Signed) MOSES BURTON.

Fishermen intending to purchase Engines should write for descriptive literature on our Kerosene Oil Engines and get prices on four payment terms.

January month the general topic was the War, next to it was the handsome pieces of Silver got free at St. John's Grocery Store for Coupons.

We are doing the same this 1915 and are finding all our former customers buying more freely than ever, and are making new customers every day. And why not?—when we are giving to every customer 10c. on the dollar spent on groceries. And again, we use our best energies to please our patrons. In fact ours is the store of satisfaction.
