**MARKET OPINION!**

In our opinion there can be no time more opportune for profitable investment on margin than the immediate present. Practically the end of a long, long period of depression, with the highest class stocks and bonds selling at unheard of low prices, we strongly suggest instant consideration of the market; make your choice early and place immediate buying orders. We specialize on margin trading.

**Fashions in Furniture.**

Furniture fashions vary almost every season, there is always some newly-designed chair or lounge coming into vogue. The present trend is toward upholstered Furniture, a splendid selection of which we are now showing. Here — huge Cosy Chairs, Chesterfields and Lounges, over-stuffed and beautifully upholstered in Silk, Tapestry, Damask, etc. — gladden the eye, and there is no lack of smaller upholstered articles.
