

BRUTAL OUTRAGE.—One of the most brutal outrages we ever read of occurred in St. Louis on Friday. While the prison van, containing seven men and a woman, was going from the police court to the station, the woman was outraged six times by three of the ruffians, while the other prisoners were looking on quite unconcernedly. They pretended to have been too frightened to interfere. The woman was virtuous, although occasionally addicted to intemperance. The three scoundrels have been committed for rape.

On the death of one of England's most eminent physicians, all his effects were sold by auction, and among other things was a sealed packet, marked "Advice to Physicians," which brought a great price. The purchaser on opening the packet, read as follows: "Keep the head cool, the bowels open and the feet warm." If physic is necessary, use *Parsons' Purgative Pills*; they are the most scientifically prepared pill that has appeared in the last hundred years.

The use of Tobacco causes indigestion, palpitation, slowness of intellect, a desire for strong drink, and an intermittent pulse; it destroys the vitality of the blood, produces dizziness, disturbs the sleep, makes a man miserable, and prematurely old. When the disease is serious and stubborn, the best remedy is Fellow's Compound Syrup of Hypophosphites, as it restores circulation, the nervous ganglia, builds up the muscles, and induces healthy Liver, Heart, Stomach and Intellect.

For PEOPLE unacquainted with physiological chemistry are aware of the quantity of iron in the blood, but all should know the importance of keeping up the supply, for debility, disease and death are sure to follow when the quantity becomes too much reduced. The Peruvian Syrup (a protoxide of iron) supplies this vital element, and has cured many chronic diseases.

BREAKFAST—EPPS'S COCOA—GATEFEL and COMFORTING.—By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected cocoa, Mr. Epps has provided our breakfast tables with a delicately flavored beverage which may save us many heavy doctor bills.—*Civil Service Gazette.* Made simply with boiling water or milk. Each packet is labelled "James Epps & Co. Homoeopathic Chemists, London." Also, makers of Epps's Milky Cocoa (Cocoa and Condensed Milk).

COMMERCIAL.

Husband—What do these certificates amount to?
Wife—They prove that Perry Davis' Pain-Killer is safe to use under any circumstances, that it is not only a Liniment to rub on the skin, but a medicine to take internally, and that it has done miracles in curing Colic, Cramps, Spasms, Heartburn, Diarrhoea, Dysentery, Stomach-ache, Dropsy, Sick Headache, and also it is the Pain-Killer that cured John Sparkler of the Fever and Ague; you know he had it for over a year.

Husband—Did it cure my Rheumatism about here? I am more interested in that than I am in fever and ague.
Wife—You had better go over to Judge Jones and see the certificates for yourself, there is no question but what they are convincing, and I don't think he has returned them yet to Providence, R.I., where Perry Davis & Son's head office is.

Husband—I am really getting interested in the Pain-Killer, my dear, and I will call on the Judge today, for my Rheumatism is quite unbearable.
Wife—The Pain-Killer is an internal and external remedy for pain. For internal pain, Cramps, Spasms, Sudden Colic and Bowel difficulties, a few drops in water will give immediate relief. As a Liniment it is without an equal. It cures pain almost instantly. Be sure and get the genuine, made by Perry Davis & Son, and sold by Druggists and Grocers.

FELLOWS
COMPOUND SYRUP OF
HYPOPHOSPHITES

All life-endowed bodies, whether they be Beasts, Birds, Reptiles, Insects, or even Zoophytes, and subjects of the Vegetable Kingdom are governed by the same laws, and have all the same organs of existence, and as nothing can save them from destruction when this principle leaves them, the discovery of means whereby vitality may be obtained in the living body is indeed a boon to the world.

Modern Chemistry has ventilated the question and discovered the ingredients constituting the Brain, muscles and nerves, and finds that by introducing these ingredients in proper proportions the brain and nervous system are strengthened.

This is substantially the basis on which *Fellows' Compound Syrup of Hypophosphites* is built. Its direct action imparts the Blood, the Brain and Nervous System, and the Muscles, strengthening the Nerves, it causes the rapid distribution of Vitalized Blood in the Muscular Organs of the Body.

Reviving the Stomach and Liver, Strengthening the Action of the Stomach and Bowels, and enabling the Lungs to be fully supplied with Oxygen.

It is adapted for all cases of Weakness and Exhaustion, whether arising from a Sedentary Life, a tropical climate, from fever, or debility from any cause, and is efficacious in Pulmonary Consumption, many confirmed cases having been cured and all benefited, where its use has been continued over a fortnight.

It benefits it is a specific, and in Asthma it gives relief wherever it stands untried, and in Chronic Debility it stands unrivalled, and may be used with confidence in all cases.

As this is a purely distinctive and different from any other preparation of Hypophosphites, be careful to ask for *Fellows' Syrup*, and take no other.
