At a meeting at Elma last week the following resolution was unanimously passed:—That this meeting is of opinion that the Wellington, Grey and Bruce Railway Co. have failed to carry out the conditions of the agreement between them and the municipality, that the Reeve be and is hereby empowered to proceed at once to take the proper steps to institute a suit against the Company. The meeting also expressed its indignation at the injustice done the people, in not opening the road for traffic, and loudly called upon the township authorities to demand redress for the gross injustice done the municipality.

ACCIDENT IN PRESTON.—The Galt Reporter says, on Wednesday last, as Mr. Gaul, of Berlin, was driving down the large hill leading into Preston from Berlin, with a load of eggs, the "hold backs" broke, and the wagon coming against the horse's heels he started off, running very fast, until he reached the bottom of the hill, when he came in collision with some posts which stand by the North American Hotel. The collision made a perfect smash of everything and Mr. Gaul was thrown with great force on to the road, striking the ground on his side and hip. Assistance was at once rendered, and we believe, although seriously injured, Mr. Gaul was able to be taken back to Berlin the same day. The vehicle was a perfect wreck, and of the cargo, consisting of considerably over 100 dozen of eggs, scarcely one was left whole. The horse, we believe, was not injured.

The Elora Manufacturing Company have made another call on the shareholders for ten per cent. on the capital stock.

The Huron Signal says that in many parts of that county the weevil has made its appearance and is doing considerable damage to the spring wheat.

SCROFULA.—For the cure of Scrofula and other skin diseases there has never yet been found a remedy so equal, in completely eradicating the disease, Fowle's Pile and Humor Cure. Every bottle is warranted to give satisfaction; give it a trial; it has cured hundreds, it might cure you.
