MURDER WILL OUT.

Husband Arrested After Twenty-Seven Years of Immunity-Wife and Child Killed.

YREKA, Cala., May 9 .- This town is intensely excited over the arrest near here of George Dicker, one of the richest and most prominent citizens of Siskiyou county, for the murder of his wife and child 27 years ago. Last week a sheep herder in the hills near this town found the bones of a woman and child in a cave. Investigation showed that the woman's skull had been cloven and that the child was a nursing babe, as its jawbones were toothless. Detectives were put on the case and they unearthed a chain of evidence that led to Dicker's arrest.

-A Costly Catch. AMHERSTBURG, Ont., May 9 .- The Government cutter Petrel seized two iron passenger boats-the Visitor, of Put-in-Bay, and the Le Roy Brooks, of Bass Islandand brought them here last night for violation of the Fishery Act. They had on board a party of American gentlemen, who were fishing with hook and line just east of Pelee Island. The passengers were allowed to land on Pelee Island, but the crews of both boats were brought here and kept on board the seized vessels. The Visitor is valued at \$16,000, and the Brooks at \$7,000. Capt. Dunn, of the Petrel, states he has information that the two boats fished out of season last year and defied the fish inspector on Pelee Island to stop them.

The party was fishing for black bass. This is the first time hook and line fishermen have been molested.
