PROTECTING THE WORKERS. Railway Mon Must Be Paid Their Wages

-- Such Is the Contention of Leading Liberals at Octawa. (Special to the "Advertiser.") Ottawa, July 3.-In committee of the House of Commons this morning the bill respecting the Toronto, Hamilton and Buffalo Railway was taken up. This

bill was previously reported, but referred back to the committee of the House in order that provision should be made for the payment by the company of the claims of laborers, boarding house keepers and provision dealers against Bracey Bros., the defaulting contractors for the road. A lengthy discussion took place, in which Mr. Carscallen, for the company, opposed any compulsion on the company to pay these debts, totaling about \$50,000. A motion finally passed referring the matter to a sub-committee to draft a clause protecting the claims. Mr. Fraser, of Guysboro, who first brought up the claims, pressed them strongly, and it looks is if his efforts in behalf of these poor people would succeed. Messrs. Bain, McLean (of York), Somerville, Lister and Edgar all assisted Mr. Fraser.

The conductor, thinking McKellar badly hurt, immediately came here with the engine for Dr. Mackinnon, who went down and dressed the young man's head and sent him home in a buggy, not much the worse for the accident.
