PREMIER ROSS SENDS HIS REPLY

Says Prohibition Is the Only Efficient Remedy.

DEPUTATION TO MEET AGAIN

The Duty of the Government to Consider What Other Means Are

Toronto, April 6. — Premier Ross de-livered his answer to the temperance deputation this afternoon, as promised. Following is the text of the reply: "My Dear Sir,-In reply to the deputation which I had the honor of receiving yesterday, I desire to exsented by the different speakers that nothing short of the prohibition of the sale of liquors in hotels and the strict control over sales for purposes generally recognized as proper and legitimate, would fully protect society from the evil effects of excessive drinking,

so far as legislation can be invoked, for that purpose.
"Your decided preference for such a neasure as against amendments of the license laws I understand to mean that you do not favor at present any other form of temperance legislation.
"If the Government is unable to give the measure desired this session, will be our duty to consider what means are available for further action. Yours truly, G. W. ROSS."

The above letter explains itself as the reply to the deputation which aited on Premier Ross on Monday last. The deputation consisted of a number of Methodist and Baptist clergymen and some laymen, and the Ten On the Board of Education, appointee from the separate school Premier announced that for greater acboard, the vote to be taken from the curacy he would put his reply in writing and send it to the Rev. J. A. president of the Toronto Methodist Conference, who had intro-
