## **SCORES OF WOMEN** ARE NOW FIGHTING IN THE TRENCHES

and Live the Life of

London, May 23 .- From time to time, since the great war began, reports have given way before actual reports of women decorated and promoted for bravery

istinguished herself to such a degree against the Germans that she was first | March. made lieutenant, then colonel of the regiment in which her husband served years ago.

A High School Girl. Another Russian heroine is Natalle Tychnini, a high school girl of Kiev, who has received the Order of St. George for distinguished service at the front. 40 years old, of 140 West Sixteenth lines, and was detailed to carry ammustreet, was arrested at her home last nition to the trenches. The Russians were forced to retire, and Natalie Tychnini was left lying wounded on the field charge of performing an illegal opera- and nursed her back to health. When the Russians again took Opatow, she was still in the hospital, and was sent by them back to Kiev, where she was given her honors.

From Kiev comes the story of another gallant girl officer in a regiment of Cossacks. Alexandra Lagareva, who with a handful of men of her detachment was captured by the Germans. She managed to escape, however, but before prices were established. the law was enforced w oved of great value to the Russian eneral she was serving under.

'Yellow Martha," so called from her Germans who had captured an advanced the workers. line of trenches. As the Russians wer making for the second trenches, the standard-bearer was shot in the back. Martha noticed him fall and dashed alone to secure the flag. Two Germans oursued her as she made off with it, out she shot them both dead and re turned triumphantly with the flag. Betrayed By Hands.

Betrayed by the whiteness and smallness of her hands, Signoriana Luiga Clappi, a young schoolmistress living near Florence, would be in the fighting line today had her sex not thus been profiled to be to ian liner Ancona when that vessel was ing to the front, that suspicions were sition. ## **GREAT REDUCTION** OF DRINK EVIL IN THE BRITISH ISLES

Falling Off in All

[Canadlan Press.] London, May 17 .- Correspondence of the Associated Press.-The astonishing success of the central control board in reducing the drink evil in England, Scotland and Wales since the board's less incredulity, which has, however, inauguration in June, 1915, is strikingly shown in the second report made by its chairman, Lord D'Abernon.

The report shows that the efforts of the board have resulted in a reduction fighting in the armies of the czar. No- of the average weekly number of conable among these is Mme. Koudasheva, victions for drunkenness in England a woman of culture and refinement, a and Wales from 2,034 in 1914, to an ooet, a writer, a musician, and above average of 940 for last March, the latall a lover of sport, who enlisted as a est month for which figures are availolunteer when the war broke out. She able. In Scotland, the average has been reduced from 1,424 in 1914 to 794 for

Reduced at London. The figures for London, where a treating" order went into effect on October 11, 1915, are of particular interest. The weekly average of convictions for the metropolitan district in 1914 was 1,301. This was reduced to 1,008 for the four weeks prior She passed as a man in the Russian October 11, and in the succeeding month dropped to 718. Reductions on a similar scale were shown in the great industrial centres of Liverpoot, Birmingham and Manchester. Looking After Workers.

The board has been especially active in looking after the great army of workers who are employed in the munitions industry. To offset the evil influence of the drinking places usually patronized by the workers' industrial canteens, where substantial and well-cooked meals with light refreshments can be obtained at reasonable the law was enforced which requires public houses to supply food as well as liquor. Lord D'Abernon reports that the canteens have proved a great succolden hair, is another of Russia's cess and have contributed materially neroines. During the fighting at Sokat- to the checking of excessive drinking new she took a Russian flag from the and the improvement of the health of

Flax—No. 1 N. W. C., \$1.69%; No. 2 Canadian western, \$1.65.

Chicago, May 23.—Lower quotations from Liverpool, with favorable weather in this country, brought about fresh declines today in the wheat market. Bears attributed the weakness at Liverpool, in part at least, to the change in underwriters' rates, indicating better peace prospects. A substantial increase of the European visible supply tended also to handicap the bulls.

Opening prices, which ranged from %c to %c to 13c lower, with July at \$1.08 to \$1.08%, and September at \$1.08½ to \$1.08%, were followed by rallies, but then additional declines.

known as the sole American survivor of the Ancona disaster. Dr. Greil was locked up in the West Thirtieth street police station. She retained Oscar J. Smith of 42 Broadway

as her counsel. On information supplied by the Lying n-Hospital the detectives Friday night visited a patient in the hospital, a young voman who said she was Violet French 19 years old, a private secretary of Tarown, N. Y. The young woman was in a critical condition, which the hospital authorities believed to be the result of the operation she had undergone before entering the institution. The detectives said that after much uestioning Miss French told them Dr. reil had performed the operation on

So Little Fighting That Military Hospitals Have Been Closed. Sofia, Bulgaria, May 5 (Correspon dence of the Associated Press) .- The closing here recently of three of the largest military hospitals is an indication of how far removed Bulgaria is from the European war. The Saloniki by the Austrians and Germans. front has been quiet for weeks, and the attack on Avlona is a matter concerning only the Austro-Hungarians. The Bulgarian army is resting on its arms. In a few days several other hospitals

will be closed, and that in charge of the Austro-Hungarian mission will be converted into an electro-therapeutic institute for the recovery of damaged Calling the Young Men. Nevertheless, the Bulgarian Govern-ment is calling to the colors the young nen due to serve in the army. A great deal of reorganization is in progress. ed in many a good lesson to the Bulgarian officers and general staff. Reto what extent is indicated by the fact furlough 60,000 army drivers and their houses. ox teams and wagons. These men and animals are now back in their villages.

tilling the soil for the spring sowing. Bulgarian officers readily admit that they have learned a great deal from the Germans and Austro-Hungarians. Not and bearing. Though always accepted as a good soldier, the Bulgarian has had the opportunity to acquire the dash of his northern brothers-inrms. At present, therefore, there is general tendency to be as much like German and Austrian as possible This has influenced the cut of the Bulgarian officer's uniform, and espe-Such German and Austrian greetings

merly applied as such. BACKWARD AT DELMER. DELMER, May 22.—Spring seeding as been at a complete standstill for s ole week, owing to rainy weather. A few farmers have finished seeding, but nany are only about half through. The ontinued wet weather is discouraging, especially to tenants.

Indications at present are that there

# years ago.

CHATHAM, May 22 .- In the county judges criminal court this afternoon serious charge preferred by his daughter, Eliza, who will be 14 years of age in August next. On account of the unsatisfactory nature of the girl's evidence, the charge could not be substantiated, which if proved, would have rendered the prisoner liable to fourteen years in prison and a whipping. Her evidence showed that she had been associated with Abbie Chrysler, a well-known local character. Judge Stanworth stated that he had never listened to evidence of such
