

DOCTOR ADVISED AN OPERATION

Read Alberta Woman's Experience With Lydia E. Pinkham's Vegetable Compound

Provost, Alberta.—"Perhaps you will remember sending me one of your books a year ago. I was in a bad condition and would suffer awful pains at times and could not do anything. The doctor said I could not have children unless I went under an operation. I read testimonials of Lydia E. Pinkham's Vegetable Compound in the papers and a friend recommended me to take it. After taking three bottles I became much better and now I have a healthy baby girl four months old. I do my housework and help a little with the chores. I recommend the Vegetable Compound to my friends and am willing for you to use this testimonial letter."—Mrs. A. A. Adams, Box 54, Provost, Alberta.

Pains in Left Side
Lachine, Quebec.—"I took Lydia E. Pinkham's Vegetable Compound because I suffered with pains in my left side and back and with weakness and other troubles women so often have. I was this way about six months. I saw the Vegetable Compound advertised in the 'Montreal Standard' and I have taken four bottles of it. I was a very sick woman and I feel so much better I would not be without it. I also use Lydia E. Pinkham's Sanative Wash. I recommend the medicines to my friends and am willing for you to use my letter as a testimonial."—Mrs. M. W. Rose, 580 Notre Dame St., Lachine, Quebec.

She Says:
"I Am Thin"
Her Friend Says:
"She Is Skinny"

If she only knew that she could put on at least 5 pounds of good healthy flesh in 30 days she wouldn't be worrying about her peaked face, hollow cheeks and neck and rundown looks. She has tried Cod Liver Oil, but the ill-smelling, nasty tasting stuff upset her stomach and made her feel worse than before.

Doctors and good pharmacists know that Cod Liver Oil is full of vitalizing vitamins that make flesh, creates appetite, restores vigor, builds up the power to resist disease and chases away nervousness.

But it's horrible tasting stuff and every day fewer people are taking it for doctors are prescribing a cod liver oil substitute that they can get better results from. McCoy's Cod Liver Oil Compound Tablets, which Standard Drug and druggists all over the country are having a tremendous demand for.

It is a wonderful upbuilding medicine for skinny, backward children, especially after sickness, and 60 tablets only cost 60 cents.

One woman gained 10 pounds in 22 days, and if any skinny man or woman can't put on 5 pounds in 30 days your druggist will gladly return the purchase price.

But be sure and get McCoy's, the original and genuine Cod Liver Oil Compound Tablets.—Adv.

LAYMEN CONTROL CHURCH FINANCES

Important Change Is Made by Presbyterian Assembly—Committees Named.

Canadian Press Despatch. Toronto, June 15.—The Presbyterian assembly tonight changed the practice of years with respect to the financial and business policy of the church by the appointment of a general management committee which is composed entirely of laymen. In the past there have been representatives of the clergy on this committee.

Rev. Dr. Robert Johnston of Calgary made a protest, declaring the change was too radical, and might easily lead to a domination of business interests in the affairs of the church, whose fundamental aim was not business. However, the assembly upheld the recommendation of the striking committee, and appointed the all-laymen committee as managers of the business end of the church.

The board of administration, the most important of the church in matters of finance and business is as follows: Col. John F. Michie, James Turnbull, G. Tower Ferguson, W. D. Ross, Fred N. Walde, Thomas McMillan, James A. Milne, Dr. A. S. Grant, Toronto; Col. J. P. Moode, Hon. G. P. Smith, W. E. Phinn, Jas. Chisholm, K.C., Hamilton; James Rodger, Purvis McDougall, J. G. Pelton, A. M. Nairn, J. C. McCaul, J. A. Cameron, Montreal; Jackson Booth, Ottawa; James Playfair, Midland.

Disfiguring Pimples Healed By Cuticura

Daily use of Cuticura Soap, assisted by Cuticura Ointment when required, not only soothes and heals unsightly and annoying pimples and irritations on neck and face, but tends to prevent such conditions. Nothing purer, more economical or more satisfactory than these fragrant emollients.

Sample each free by Mail. Address: Canadian Dispensary, 1200 St. James St., Montreal. Cuticura Soap 25c. Cuticura Ointment 25c.

BURNS AND SCALDS

The handle of the preserving kettle is too hot, the lid has been too near the front of the stove—or a kettle tip and spills some of its contents—and before you know it you have a nasty burn or scald.

Absorbine J

is very valuable in such accidents because it soothes the raw, tender flesh, allays the pain and promotes a rapid and comfortable rebuilding of the tissues, at the same time removing the danger of infection.

For all aches, pains, cuts, sore, or strained muscles, ABSORBINE J has found well merited favor.

\$1.25 a bottle at most druggists or sent postpaid.

LOW COST FOUR-WEEK TOUR. Through Western Canada to the Pacific Coast, Yellowstone Park, Salt Lake City and Rocky Mountain National Park.

A never-to-be-forgotten four-week tour of Western Canada and the Pacific coast with a trip through the United States on the return journey has been planned for Canadian tourists and their friends this summer, leaving Toronto by Canadian National Railways on July 9.

The trip is simply crammed with scenic and historic wonders. A visit to Wainwright Park, Alberta, where the largest herd of Buffalo in the world is located. Two days are spent at Jasper National Park, in the heart of the Canadian Rockies, where the beauty of the mountain scenery is indescribable. From Jasper park westward the party passes snow-capped Mount Robson, the highest peak in the Canadian Rockies, and stops at the Indian village of Kitwanga, with its wonderful historic totem poles. Then westward again, following the mystic Skeena river, to Prince Rupert, the North Pacific terminal of the Canadian National Railways.

At Prince Rupert a palatial steamer is boarded for the 750-mile trip through the sheltered scenic seas of the North Pacific to Vancouver, Victoria and Seattle. This is recognized as one of the finest sea trips in the world.

On the journey homeward, a 72-mile motor drive will be taken from Portland, Oregon, over the famous scenic Columbia river highway, and five days will be taken for a motor tour of Yellowstone National Park. Then follows a visit to Salt Lake City, Utah, with a three-day motor tour of Rocky Mountain National Park of Colorado. En route to Denver short stops will be made at Clear Creek Canyon, Idaho Springs, and Lookout Mountain, where Buffalo Bill is buried. Chicago is reached on Aug. 6, and Toronto, Aug. 7.

In spite of the magnitude of the tour, the fare is remarkably reasonable, and as the leaving date is July 9, arrangements should be made at once. Reservations and illustrated booklets with full information regarding the trip can be secured from A. E. Bryson, 44 Silverthorne avenue, Toronto; Martin Kerr, 4 Beulah avenue, Hamilton, or any Canadian National Railways Agent.—Adv.

We want you to make this test

WE want every weak, puny, fagged-out man and woman in America to make this test; buy one bottle of Tanlac at your druggist's, take it according to directions for one week and see how quickly you get started back to full strength and vigor.

We know what we are talking about. Tanlac has helped millions. In our files are more than 100,000 letters of praise from grateful users.

Don't confuse Tanlac with ordinary patent nostrums. It is Nature's own tonic and builder, compounded from roots, barks and herbs that we gather at great expense from the four corners of the earth.

Tanlac goes straight to the seat of your trouble; cleanses and purifies the blood stream; puts your digestion in proper shape. First thing you know you have an appetite like a starved child. You rest at night and your whole body begins to feel the stir of strength and energy.

Don't put off testing Tanlac another day. Get a bottle now and in a week you should notice signs of real improvement.

Don't you be discouraged. Don't put off testing Tanlac another day. Get a bottle now and in a week you should notice signs of real improvement.
