JOINT EVENT

Alumni and Alumnae Unite To Welcome Home Grad-

The Blue Dragon Tea Room was the cene of a very happy gathering last night when the graduates of the University of Western Ontario gathered there for dinner. For years past the women graduates have made Christmas week the occasion for renewing acquaintance, and this year both Alumnae and Alumni united in the nolding of a dinner party.

Miss Marion Wrighton, president o the Alumnae, presided over the banquet which was attended by about fifty. Dr. W. F. Tamblyn was the after-dinner speaker, who reminisced on the past life at college, and the happy times the students had spent together. Richard Crouch, president of the Alumni, in-Crouch, president of the Alumni, in-troduced the speaker. The long table was effectively centered with a wide band of purple ribbon, above which a narrow band of white rested, thus making the club colors. Many were present from out of town.

Those present included Rev. Mr. and not harm them. Mrs. Bice, Dr. and Mrs. Bailantyne, Rev. Floyd Maine (Belleville), Mr. and Mrs. Richard Crouch, Mr. and Mrs. W. Mrs Richard Grouen, Mr. and Mrs.

The greatest of all gifts is a happy disposition. No riches, no power, no sition is worth anything unless we can meet life gaily and know how to enjoy. The happy disposition finds the bright side of all things, meets disaster with a smile, picks itself up when it "falls down" and does not count the bruises. The happy heart takes troubles lightly

and heightens joys-even the smallest ones. When the spirit is happy everything is worth while. Yet even the greatest fortune is as nothing to the morose

nature, the pessimistic soul. I knew a woman who was amongst the great ones of this world. She had a passion for jewels, emeralds in fou particular. When I asked why she confessed that since possessing the ent, and the other clothes for orphaned emeralds she had been taken with a craving for sapphires, a stone she had formerly cared nothing about!
