How, Mr. Marrin wished to add to add to deal the answer given to Mr. Macpherson of the passage as viewed from a scientific point of view. The choicest patches is unforted in the province."

How Marrin wished to add to add said, he thought it would be a mistake and an uncalled for slight on the Do be depreciated in value. He submitted that the bill is not a desirable one in the Hon. Mr. Pooley said the object of

> worth while after all to read the remarks amount for roads and bridges must be cut Mr. Rither presented the second rebort of the committee on public accould not themselves provide for the maintenance of schools, and either the children must go without education or by Mr. Williams. He spoke his opinion at that time, since which he had use of its assets. He pointed out several other instances where the policy of the province has been changed to suit the varying circumstances, and felt fully convinced that the time has come for a other gentlemen considered it best to repensed, too, by the taxation which can be placed upon the land as soon as taken were in private hands. He hoped to see the educational system kept up, especially in the outlying districts, and he thought there is every reason why the house should consider this bill favorably, and he would vote for the second read ing even if it would astonish the senior

member for Vancouver. MR. KENNEDY read an article from the Colonist in support of the land policy of

Motion agreed to.

INFERIOR COURTS PRACTITIONERS. Mr. Kellie, on consideration of report on the inferior courts practitioners bill, moved to insert the words, "with position in this respect, for while here the exception of that portion of the the whole expenses of education outside North riding (of West Kootenay) not included in the Trail Creek mining division." He explained that in the territory thus proposed to be excluded from the operation of the act there are no lawyers, and it would be a hardship not to allow anyone else whose name is on the voters' list to appear as an agent in

these courts. HON. MR. EBERTS said that as he had tated to the house the other day he had no objection to what Mr. Kellie sug-

Amendment agreed to, and report adopted as amended. Mr. HUFF presented a petition from the people of Alberni opposing the Alberni waterworks bill.

The house adjourned at 5:30 p.m. Order in the Ranks. Captain.—Sergeant, note down Private Grasgrun—three days on bread and water for slovenly turn-out on parade. Sergeant.—Beg pardon, Captain, that won't make the slightest difference to him he's a vegetarian.

Captain.—What? Then put him for

three days on meat and soup!
