Minard's Liment Cures Colds, etc.

ARRESTED BEGGARS.
Chief Crawford arrested two tramps for begging and being drunk Wednesday afternoon. They were up before Judge Matheson Thursday and were sentenced to one month in jail. The only regret is that there is not a stone yard in connection with the county jail to keep this class of gentry busy during their enforced residence at our expense.

DALHOUSIE LUMBER COMPANY.
The annual meeting of the stockholders of the above named company was held at the offices of Messrs. J. H. Scammell & Co. St. John, on Tuesday, Feb. 9, and the following gentlemen were elected directors: James Manchester, president, C. H. Underwood, New York, vice-president, E. H. Griffing, New York; W. T. Whitehead, Joseph T. Knight, Henry Hilyard, directors.

Repeat it—Shiloh's Cure will always cure my coughs and colds. Who wouldn't give 25 cents to stop a pain 20 times? Just one little "Pain Pain Tablet"—Dr. Shiloh's—will stop any pain in 20 minutes, sure. Read the formula on the box. Doctors say it can't be bettered. Checks womanly pains, head pains, any pain. 20 tablets, 25c. Sold by all dealers.

NO GAME KILLED.
As the Graphic predicted at the time the two experienced Tobique guides, licensedly advertised previously to their visit to this county, have come and gone, and found no trace of game violation in Restigouche. They doubtless visited the lumber camps, had a good time and departed with their story. Every native knows, although he may not have the absolute proof, that big game has been killed since the season closed. These gentlemen are to make a second try this section and already the newspapers are commencing to advertise the fact. This is a very considerate method for the game poachers.

LARGE LOAD OF LOGS.
On February 6th H. P. Doyle of Chatham, while working for the Dalhousie Lumber Co. in South east of Uppalquitch Camp No. 6, hauled 122 logs in one load, viz: 120 cedar and 2 spruce. This load was hauled three miles on a snow road. The loaders were Ed. Savoy, Harvey LeBlanc and Fred Bisbeau, directed by the foreman John J. Arsenault. It was talked by our cook Charles Car. The hauling was witnessed by the famous hunter and guide, Lorenzo Savage of Fredericton. The landing is at Camp No. 1 and on arriving it was witnessed by a large number of men and also by the superintendent, Wm. Simpson, who talked it while unloading and found it correct. It was hauled by Black Boy with two inches short end of each chain. This load caused great excitement throughout the South East as it is the star load of the season.
