## COULDN'T PLAY SUNDAY BASE- BALL IN BOSTON

Police Awed Teams Ready  
for the Game, But Mana-  
ger was Arrested.

Boston, Sept. 18.—Boston's puritanical laws met the Sunday base ball question fairly today and won out, and the first organized attempt to play a scheduled game on the Lord's day failed. Eugene O'Connor, jr., manager of the All Church League team of Jamaica Plain, was arrested, and the case will be threshed out in court tomorrow.

A game between the All Church League and a team from Fort Banks at Revere has been advertised for several days, to be played at Jamaica Plain, and a quasi permit for the affair secured from the deputy superintendent of police. When a thousand or more spectators had gathered for the game and admitted free to the grounds, the police of division 13 showed up. The Fort Banks team refused to go ahead with the game. The All Church League team also held back, and Manager O'Connor, donned a baseball suit and batted a home run over the fence. He was at once arrested.

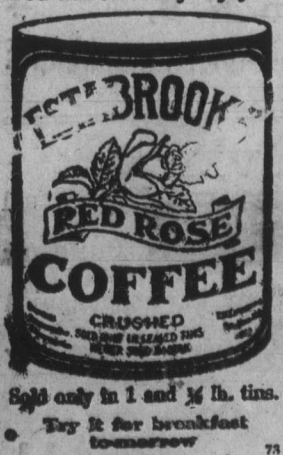

The All Church League team claimed to have the backing of a large number of citizens and several clergymen in their endeavor to promote Sunday baseball in Boston.

## AERONAUT TO TRY PERILOUS FEAT

Will Start Today a Flight Across the  
Simplon Pass to Italy.

Brig, Switzerland, Sept. 18.—The cross-Alps aeroplane flight from this place over the Simplon Pass to Italy, which was scheduled to begin today was postponed until tomorrow. The local authorities declined to allow the aeroplane to depart before noon on account of a religious fete held in honor of a local Swiss hero, and the race committee announced a postponement. Two thousand spectators had assembled in the aerodrome, which is located on a plateau about 900 feet above sea level, and they strongly manifested their discontent over the disappointment, some of them demanding the return of their money. Many of the visitors went so far as to assert that it was a trick to keep the crowd here.

## Crippen Trial is Sensational

Miss Leneve's Former Landlady Tells of a Conversation Which She Had With  
The Prisoner.

London, Sept. 19.—Something of what Ethel Clare Leneve suffered as, half mad with jealousy, she impatiently awaited the fulfillment of Dr. Hawley H. Crippen's promise to make her his wife, was revealed at today's session of the inquest into the death of Belle Elmore, with the murder of whom the doctor and his typist are jointly charged.

In her distress, Miss Leneve confided in her landlady, Mrs. Jackson, and the story that the latter told on the witness stand rivalled the most sensational evidence introduced at the murder trial. Mrs. Jackson said that the accused girl gave up the room which she had occupied at the home of the witness on March 12, explaining that she was leaving to be married to Dr. Crippen. Until the first week in February Miss Leneve had slept regularly at Mrs. Jackson's. After that she stopped at the house only occasionally. She said that she spent the other nights at the homes of friends. On one occasion, Miss Leneve mentioned having been at the Hill Drop Crescent, the home of the Crippens, early in February, to help the doctor in a search for a bank book which showed an account of \$1,000. She added that a diamond tiara and rings had been found in the house and that the doctor had raised \$850 on these.

About the middle of February the witness said, Miss Leneve appeared miserable and depressed. Such was her state that Mrs. Jackson followed the girl to her room to learn if possible the cause of her trouble. Miss Leneve, the witness said, was in a terrible state of agitation. Her eyes seemed fairly starting out of her head. The landlady insisted on an explanation telling the girl that she must have something awful on her mind to be in such a condition. The witness testified that the other replied:

"Would you be surprised if I told you that it was the doctor and Miss Elmore? He was the cause of my trouble when you first knew me. She is his wife and when I see them go away together it makes me realize my position as to what she is and what I am."

Mrs. Jackson asked: "What is the use of you worrying about another woman's husband?" To this Miss Leneve answered: "Miss Elmore has been threatening to go away with another man. Dr. Crippen has been waiting for her to do so when he would divorce her."

Solicitor Newton, who is looking out for the interests of Dr. Crippen and Miss Leneve, closely cross examined the witness, suggesting that her lodger's excitement was due to the landlady having resurrected a trouble which the girl experienced during her earlier association with Dr. Crippen.

## Tonic or Stimulant?

There is an immense difference between a tonic and a stimulant. Up one day, way back the next; that's a stimulant. Steady progress day by day toward perfect health; that's a tonic. Ayer's Sarsaparilla is a tonic, a strong tonic. The only Sarsaparilla entirely free from alcohol. Do not stimulate unless your doctor says so. He knows. Ask him. Do as he says. J.C. Constipation is the one great cause of sick-headache, biliousness, indigestion, bad breath, nervousness. Have your doctor examine you.

## Typhoid Fever Still Increasing

More Patients Being Cared For at the Temporary  
Hospital—About Fifty Cases—  
One Death.

The outbreak of typhoid fever reported last week has not abated and daily new cases are reported. The hospital is crowded with patients, and the sisters in charge are greatly overworked in their endeavor to look after the patients. A number of cases which could not be accommodated at the hospital are being cared for at their homes.

At present writing there are about fifty cases and already one death has resulted.

As far as the Graphic can learn nothing is being done to clean up the sources from which the disease is supposed to emanate. A number of premises are in a very unsanitary condition, but no steps have been taken to have the matter remedied.

Some time ago the Provincial Board of Health instructed Col. Maltby of Newcastle to make necessary sanitary arrangements and for a time the arrangements were satisfactory, but lately they have been neglected and things generally are in a disgraceful condition. "Something should be done at once."

## TRAGIC END OF WINNIPEG POLICE OFFICER'S SPREE

Threatened to Kill Two  
Men on C.P.R. Sleeper  
and Later Killed Himself.

Toronto, Sept. 18.—Having threatened the lives of two men in the C.P.R. sleeper from Ottawa to Toronto Friday night, Alfred Robertson, inspector on the Winnipeg police force, and formerly the big drum major of the 48th Highlanders, fired two shots into his own brain in the ladies' lavatory of the car "Oacade" after he had arisen Saturday morning.

The cause given is reaction after a night's dissipation. The conductor of the train took Robertson's revolver away, but when he quieted down gave it back again.

## FREE RUM NOW IN CAMPBELLTON

Many Selling Booze and no One  
Appears Willing to Enforce  
The Law.

POLICE INACTIVE

For a time after the fire it was almost impossible to procure a drop of liquor in Campbellton. The local government suspended all licenses, and we had an orderly and dry town.

One or two did attempt to sell some liquor on the quiet, but those in authority were awake and several raids were made.

But for the past two weeks liquor must have been sold, as there is at present much drunkenness on the streets and contractors are handicapped by having their men go off and get drunk.

It is said on good authority that there are half a dozen places where liquor can be bought and sold by people who ought to know. Why is this state of affairs allowed to exist? If the present police force cannot or will not do its duty, let us have a new one, or if liquor is to be sold, resume the licenses. We respectfully call the attention of the police committee to this matter and sincerely trust that some action will be taken at once.

## British Columbia Trapper Shoots an Official Dead

Vancouver, B. C., Sept. 18.—Donald McDonald, of Salmon River, B. C., shot Frank Savage dead yesterday when the latter went to his hut to look for beaver skins. Both were trappers, and there was some jealousy between them. Savage was also a special constable and had a search warrant. McDonald gave himself up and is now in Vancouver jail.

## E. J. PERRY CUT WOMAN'S THROAT AT TRURO N. S.

Gave Himself up to Police  
and Claimed he Acted  
in Self Defence.

Truro, N. S., Sept. 19.—What looks like a case of desperate murder came to light this morning at four o'clock when E. J. Perry gave himself up to the police. He told a story of having been attacked by Mrs. Maud Wright in her house on Foundry Hill, and killing her in self defence. The woman's body was found covered with blood and with her throat cut from ear to ear.

Perry exhibited cuts on his wrists and throat to substantiate his story of the attack, but the cuts appear to be self-inflicted.

The Wright woman has led rather a checkered career, and her husband is said to be living in the west. Perry belongs to Charlottetown, P. E. I., but has been in town all week. The deed, the outcome of which will likely result in a charge of murder against Perry, was the result of jealousy.

It is the opinion of the doctors that the woman was killed Saturday night though nothing was heard of it until early this morning. Three razors were discovered in the house, and Perry is said to have borrowed a couple of them from a neighbor yesterday.

When a reporter visited the house the upstairs portion was in a topsy-turvy condition and the room in which the crime was committed was covered with blood.

The inquest will be held this afternoon at two o'clock, when some interesting evidence will be heard.

Mrs. Clifford Sullivan of Boston, is visiting her brother, Lawrence Coughlan of Nelson, N. B.

Mrs. H. B. Anslow and children have returned from Taymouth, York Co., where they were visiting Mr. and Mrs. Wm. Munroe.
