

TWO POINTERS ON HOW TO CURE A COLD

When you begin to sniff and feel a burning sensation in the nasal passages, or when a tickling irritation in your throat starts you coughing, the first important thing is to act at once. It's the neglected cold that becomes troublesome and dangerous.

The second important thing to do is to take Na-Dru-Co Syrup of Licorice, Licorice and Chlorodyne, and keep it up till the cold disappears entirely.

Na-Dru-Co Syrup of Licorice, Licorice and Chlorodyne is absolutely free from harmful drugs, and can safely be given even to moderately young children.

Your druggist has Na-Dru-Co Syrup of Licorice, Licorice and Chlorodyne in 5c. and 10c. bottles, or can quickly get it for you. Compounded by the National Drug and Chemical Co. of Canada, Limited.

WHY CLEARANCE SALES ARE HELD

A Business Reason Underlies The Cut-Prices Sales of January.

An excellent article by J. R. Hamilton in an exchange gives the reason why January and Clearance sales are the vogue for the next few weeks. People wonder why the stores are trying to get rid of their surplus merchandise at this time at cut prices, when they realize that buyers must wear shoes as usual, must buy dry goods and men's furnishings the same as they have always been doing.

The answer in a word is that the greatest dread any merchant knows is that of a broken or an uneven stock of merchandise. Most merchants refer to such a stock as a "Junk Shop", and they dread it more than anything else. If a merchant has a broken stock of a certain kind of shoes, his clerks or his salesmen do not "case you" when you come to buy and you go out to where you can be pleased. If you see a certain shirt pattern that you like, and you are suddenly told that you can only get that pattern in size 16, you sigh wearily and turn away from the counter.

Merchants have learned all these things by long and bitter experience, and that is why they are willing to sell at a price that they know is below the market price, in order that they may accomplish this one end of a clean store and complete merchandise. A word to the wise is sufficient. In this paper today these merchants are selling you what they have at such remarkable bargain prices as to stir every instinct which every woman has for Economy.

And if what they have happens to be what you want, you will save so much money, that it will seem as if Santa Claus had left you a Bank Account. But remember, the secret of big bargains in these bargain days is for you to have the advertising at your finger tips and to be in the stores a half an hour earlier than those "hateful" other women who are trying to beat you there.

PLAIN TALK ABOUT PILES. Don't you believe that experience is better than hearsay? If you suffer from piles, just try Zam-Buk. You can do so at our expense. So assured are we of the result that we will send you a free trial box if you send to our Toronto office full name and address and a one cent stamp to pay return postage.

Scores of people daily acquaint us with the benefit they have derived from the use of Zam-Buk for piles. Mr. F. Astridge, of 3 St. Paul St., St. Catharines, Ont., says: "For five years I have suffered untold agony with protruding piles. The pain was so great at times I would almost scream. "I lost weight and had no appetite. I tried everything I ever heard of for piles, as I was willing to take anything to get relief. It was useless, however, and I almost gave up in despair."

"One day a friend gave me a sample of Zam-Buk and told me of a friend of his who had been cured. I decided to try Zam-Buk, and the relief I got was encouraging. I used three boxes, and at the end of that time I was completely cured. I wish I could have got Zam-Buk years ago; it would have saved me a great deal of misery."

Zam-Buk will also be found a sure cure for cold sores, chapped hands, frost bites, ulcers, skin eruptions, varicose sores, scalp sores, ringworm, inflamed patches, babies' eruptions and chapped places, cuts, burns, bruises, and skin injuries generally. All druggists and stores sell at 50c. box, or post free from Zam-Buk Co., Toronto, upon receipt of price. You are warned against harmful imitations; substitute. See the registered name, "Zam-Buk," on every package.

DRINK CURE A MIRACLE No, Just Sound Science

Many drunkards are sent to jail when they need medicine. Drink has undermined their constitutions, inflamed their stomachs and nerves, until the craving must be satisfied: it is not removed by a scientific prescription like Samaria.

Samaria Prescription stops the craving, restores the shaking nerves, builds up the health and appetite, and renders drink distasteful, even nauseous. It is odorless and tasteless and dissolves instantly in tea, coffee or food. It can be given with or without the patient's knowledge.

Read what it did for Mrs. G., of Vancouver. "I was so anxious to get my husband cured that I went up to Harrison Drug Store, and got your remedy there. I had no trouble giving it without his knowledge. I greatly thank you for all the peace and happiness that it brought already into my home. The cost was nothing according to what he would spend in drinking. The cure of drink was putting me into my grave, but now I feel so happy, and everything seems so different and bright. May the Lord be with you, and help you in curing the evil. I don't want my name published." Now, if you know of any unfortunate needing Samaria Treatment, tell him or his family or friends about it. If you have any friend or relative who is forming the drink habit, help him to release himself from its clutches. Write to-day.

A FREE TRIAL PACKAGE of Samaria Prescription, with booklet giving full particulars, testimonials, price, etc., will be sent absolutely free and postpaid in plain sealed packages to anyone asking for it and mentioning this paper. Correspondence strictly confidential. Write to-day. Samaria Remedy Co., Dept. 77 49 Colborne Street, Toronto Canada. Also for sale by Thos. Wran, Druggist, The Rexall Store, Campbellton, N. B.

A HORSE'S AGE

There are things which we may reason out, and others which to be remembered must be in a memorandum. One of the latter is the method of telling the age of a horse. Here it is set to rhyme so as to more readily stick in the memory: To tell the age of any horse Inspect the lower jaw, of course. The six front teeth the second pair, And every doubt and fear dispel. Two middle "nippers" you behold Before the colt is two weeks old. Before eight weeks two more will show, and at the end of three or four months, the "corners" cut the gum. Two outside grooves will disappear From the middle two in just one year. In two years from the second pair, In three the "corners," too, are bare. At two the middle "nippers" drop. At three the second pair cast, when four years old the third pair At five a full jaw set he shows.

THESE black spots will pass from the six years' spots the middle two. The second pair at seven years. At eight the spot each "corner" clears. From middle "nippers" upper jaw. At nine the black spots will withdraw. The second pair at ten are white. Eleven finds the "corners" light. As time goes on the hoovesmen know The oval teeth three-sided grow; They larger get, project before. Till twenty, when we know no more.

HOW BIG IS A BAG?

The Department of Trade and Commerce hopes to solve the ancient question, "What is a bag of potatoes?" in Quebec there is a legal standard of 50 pounds of tubers to the bag. Elsewhere in Canada custom has fixed the weight at 60 pounds. The situation is fruitful in uncertainty to the purchaser of potatoes and is likely to manoeuvre at various kinds and the Department is collecting information on the potato bag question from various parts of Canada with a view to standardizing the measurements.

HAVE TO ANSWER ABDUCTION CHARGES

Prominent Men of Allentown Released on Bail \$3,000.

Allentown, Pa., Jan. 12.—Samuel Sinclair, supervising inspector of state highways, and R. Walter Starr, a senior at a nearby college, were released from jail here to-day under \$3,000 bail each to answer charges of attempting to abduct Miss Anna E. Steckel, daughter of a retired millionaire business man of this town. The hearing will be held next Thursday. Rueben P. Steckel, the girl's father, declares that he will spend half his fortune, if necessary, to prosecute the alleged abductors of his daughter.

Miss Steckel is at her home with her face and head badly cut as the result of her struggles in the taxicab in which it is alleged the attempt to abduct her was made. She is twenty-three years old and a graduate of the Allentown College for Women and Vassar.

Sinclair is thirty years old, and a member of a prominent family in Kennet Square, Pa. Starr is his nephew, and a son of a well-known Philadelphia dentist.

The alleged abduction occurred yesterday afternoon. Miss Steckel was returning from a shopping expedition and had just entered the vestibule of her home when she was seized by two men and forced into a waiting taxicab. The chauffeur was ordered to drive to the country, but on hearing the sounds of a struggle he declares he turned his machine toward the police station, but in his haste collided with a monument in the centre of the town.

The party were taken to the police station, where, Miss Steckel had told her story, the two men were held. Sinclair, who is said to be a rejected suitor of the girl, declared that they were eloping with her consent.

FORTUNE FOR QUEBECKER

Three Millions in Russia for Son of Former Political Prisoner. The eldest son of the late Rev. J. Theakston, formerly of Stettin, Que., is said to have fallen heir to a fortune of three million dollars in Russia. The young man now lives with his mother in Worcester, Mass.

The late Mr. Theakston, who was well known in the Eastern byways, was born in Russia, where he spent the early years of his life. While still a young man, he became implicated in some political troubles, and was sent to serve a long term in the prisons of Siberia. Upon the expiration of his sentence, he came to Canada, and settled with his wife in Sherbrooke. He later received ordination as a minister, and received a call to a Sherbrooke church. It is understood that the fortune which the son of Mr. Theakston has fallen heir to was a family estate, and that the young Canadian will receive it through the death of an uncle. There are valuable coal lands on the estate, and which have never been worked, and the figure of three million dollars is a very conservative estimate of Mr. Theakston's wealth.
