DR. SULLIVAN ON NEW TESTAMENT

There was a full congregation in Holy Trinity last night. The bishop of Algoma and Dr. Scadding took part in the services. bishop in his sermon spoke of the fulnent of new testament prophecy, and aid it was not only irreverent but presumptuous for those who attempted to uplift the veil and peer into that future which God had hid from us, and not only give the day and date of Christ's second coming, but also the order of the great events that are to take place at that time. In closing are to take place at that time. In closing his sermon, he referred to his diocese and its wants, and appealed to the congregation to do what they could to change the present precarious income to one of more surety. This could best be done by each churchman putting down his name for a fixed annual amount for a number of years, no matter how small the subscription was. If this were carried out among the several congregations the missionary cause would prosper and expand.
