The race is made play or pay.

The rowing races of the Torento Rowing club were pastpined on Saturday on account of the rough water. They will come off to-night at 6 o'clock.

The Britannias play the Athletics a base-ball match on the lacrosse grounds this afternoon in which a good game may be looked for. Admission free. The lawn tennis teurnament commences to-morrow at the grounds, No. 148 Front street west. A great deal of interest has centred in the event for some months.

A ladies' boat race come off at Summers A hades boat race come off at Summers-town the other day for a purse of \$30, di-vided. Miss LePlant secured first place, Miss Holdsworth second, and Miss Aiken and Miss Hense (equal) third. The Manitoba rifle association has selected the following team to represent Manitoba in the dominion rifle matches to be held at Ottawa: Pte. Gillis, Pte. Mitchell, Corp. Masklin, Trooper Hammond, Pte. Clark, Pte. Carroll, Pte. Huston, and Trooper Cullin.

The state attorney of Kansas has issued an order prohibiting Mitchell and Slade to train for their fight in that state. The men are now located at Mineral Mission. This sems a wenderful application of supposed authority, to say that men cannot train themselves for any physical contest.

themselves for any physical contest.

Billy Owens' Seratoga purchases, Mandamus and a 2-year-old colt Tally-Ho, arrived on the Chicora on Saturday night and weie taken to Grand's stables.

A year-old stallion by Revolver, purchased for O. B. Sheppard by Mr. Owens, was also among the number. Tally-Ho is a beautiful chestnut, is a good looker and has every sppearance of turning out a good one.

The Monmouth park races were brought to a close on Saturday. The great event of the close was the Monmouth stakes, which were won by Dwyer Bros'. b. c. George Keneny, 3 yrs., by Bonnie Scotland-Kathleen in 2 36, a very fast mile and a naif.

Free Gebhard's Eole was 2d, and the hero of the English Derby in 1831, Iroqueis, was 8d. Iroqueis carried 128 lbs., which put him at considerable disadvantage with the

Some one sent the following dispatch to the Chicago Herald on Thursday last: "Toronto, Aug. 23.—A competitor at the Ontario Rifle association matches to day offered the register keeper \$5 to give him a score of 32 out of a possible 35. The register keeper reported the attempted bribery to the council, and the competitor was ordered off the field. All his entrance fees and prizes were forfeited and himself forever disqualified from competing at any military rifle match in Canada.

Law Reperters on Bieyeles.

A new use has been found for bicycles.

Three superior court reperters of this city possess them, viz., Mess's. E. E. Horton, Tyson and Butcher. The first-named gentleman attended the East Lambton election trial at Sarnia last week and took his bicycle with him. Mr. Horton started for home on the vehicle. He rode as far as lugersoll, having sent his values ahead. The distance from Sarnia to Ingersoll 1s 80 miles, and Mr. Horton covered the distance in two days. When this city of butter and cheese was reached the bicyclist became weary, and

and 178 Church Street, Toront Headquarters of one of the most scientific bodies of Physicians and Surgeons, which the continent of America can produce, nearly all of whom are members of the Royal Coilege of London, England, and engaged by M. Souvielle, ex-Aide Surgeon of the French Army, for his Institutions where the Spirometer and the latest modern inventions of Europe, are scientifically used for the treatment of diseases of the air passages, viz.: Consumption, Catarrh, Catarrhal Deafness, Bronchitis, Asthma, and Sore Throat.

It is a well-known fact that M. Souvielle's invention for the treatment of Lung Diseases is acknowledged in all the leading hospitals of Europe, and he has but two objects in view:—One to work for science, and the other to place his institutions in the front rapk of the Medicil World.

Physicians and Sufferers are invited to examine his inventiou and mode of treatment at his Institutes, where French and English Surgeons are in charge.

"Hutto, Tex., Sept. 28, 1882.
"At the age of two years one of control my children was terribly afflicted with ulcerons running sores on its face and neck. At the same time its eyes were swollen, much inflamed, and very sore.

COLE LYES Physicians told us that a powderful alterative medicine must be employed. They united in recommending Aven's Sarsaparilla. A few doses produced a perceptible improvement, which, by an adherence to your directions, was continued to a complete and permanent cure. No vidence has since appeared of the existence of any scrofulous tendencies; and no treatment of any disorder was ever attended by more prompt or effectual results.

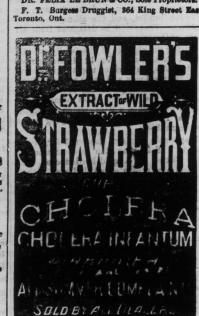

Yours truly, B. F. Johnson."
