Historical Society of Canada Brampton, Ont., June 5.—The Historical Society of Canada held their annual meeting here this afternoon in the Court House. Canon Bull of Niagara was elected president. William Rennie of Guelph, Secretary-Treasurer, Canon Bull presented his annual report, which was full of interest. Mrs. Curzon of Toronto, followed with a paper upon reminiscences of the Counties of York and Peel. Captain Crookshanks of Niagara also gave a most interesting paper on Canadian authors. Miss Fitzgibbons of Toronto addressed the meeting and was

well received. The Toronto Saturday Night, a recog-nized authority in Canada on matters pertaining to literature, refers as follows to the short story competition offered by the Dr. Williams Medicine Company of Brockville:

"It is gratifying to find this large business firm interested in literature, and the nature of the competition is such that a keen interest is sure to be aroused in all parts of Canada. There is, perin all parts of Canada. There is, perhaps, no portion of the world that yields material so abundant, situations so piquent and characters so striking, for the writer of short stories, as may be found in Canada and more particularly in the Northwest Territories. We have seen what Gibert Parker has been able to do with his all too limited knowto do with his all too limited knowledge of the Hudson Bay country. Had he or any other trained writ-er as complete a knowledge of our great Northwest, the tra-ditions of the forts, the half-breed and the Indians, as is possessed by hundreds of our readers, the literature of the world would be enriched. Winners of cash prizes in other competitions are excluded, s othat there is no reason why beginners should not try a hand."
Three hundred dollare is offered in prizes, the amount being divided among the best five stories received. Stories for competition must reach the Dr.

before July 1 next. The Best Pills.—Mr. William Vander-voort, Sydney Crossing, Ont., writes: "We have been using Parmelee's Pills, and find them by far the best pill we ever used." oFr Delicate and Debilitated Constitutions these pills act like a charm. Taken is small doses, the effect is both a tonic an a stimulant, mildly exciting the secretion a stimulant, mildly exciting the secre of the body, giving tone and vigor.
