Third Unexplained Fire In Two Weeks Causes Suspicion; Henry Sealey Latest Victim

DURHAM, Oct. 27.-Another barn went up in flames in Glenelg Township last evening, this making three in a little less than two weeks' time. In this case Henry Sealey was the victim, the fire starting from some unknown cause at 5.30 p.m. The barn, a large log one, was completely destroyed, together with the season's crop, though all the stock was saved. Two or three years ago a fire bug was rampant in Glenelg, which was seem-ingly squelched after having detectives and an investigation on the scene, and this fresh outburst of three fires in a short space of time causes the farmers much renewed anxiety.
