WYOMING COUPLE AT FIFTIETH ANNIVERSARY

Family Reunion Marks Golden Wedding of Mr. and Mrs. George Brock, of Plympton Twp.

An event of unusual interest occurred at the residence of Mr. Geo. Brock, Wyoming, on Saturday, when Mr. and Mrs. Brock celebrated the 50th anniversary of their marriage. Mr. Brock was born in London township 74 years ago, and his wife, then Miss Jennie Shanks, spent her girlhood in Waterdown, near Hamilton.

They were married by Rev. McDermott, in Moore Township, on October 8, 1872, and have lived in Plympton almost continuously since.

Three children, who are still living, blessed their union: Dresda Brock, of Detroit; Mrs. Alfred Brownlee, of Wyoming, and Mrs. A. E. Beck of Strathroy. There are also seven grandchildren: Misses Annie Eva, Jean and Master Irwin Brownlee; Miss Evelyn Beck, and Masters Keith and Dresda Beck.

Mr. Brock comes from one of the oldest pioneer families in Western Ontario, his father being a popular local preacher of Wyoming in the early days of Methodism.

The happy couple are still active, healthy and able to carry on the usual busy day's work. Guests, numbering 64, were present to offer their greetings at the tables being tastefully decorated with yellow chrysanthemums.

Among the numerous gifts were a number of gold pieces ranging in value from $5 to $20.

Aside from their own children and grandchildren the guests present were:

Mrs. Eliza Williams, sister of Mr. Brock; Mrs. W. McKellar, Mrs. Charles Elliston; Mrs. J. Murray, Mrs. G. Millar, Mrs. H. Canton, Mr. and Mrs. Walter Benest, Mr. and Mrs. G. Shanks, Mr. and Mrs. W. Shanks, Mrs. A. Hosie, Mr. and Mrs. M. Hicks, Mr. and Mrs. C.H. Smith, Mr. and Mrs. G. Metcalf, Mr. and Mrs. Knab, Mr. and Mrs. R. Muray, Mr. and Mrs. F. Crone, Mr. and Mrs. McBain and daughter, Elizabeth, Mr. and Mrs. H. McKellar, Mr. and Mrs. Bert McKellar, Mr. and Mrs. Pete McKellar, Mr. and Mrs. Wallace Williams, Mr. and Mrs. Russell Shanks, Mr. and Mrs. Harrison Shanks and son, James, Mr. Walter Movis and son, Dwight, Mr. and Mrs. Walter Seignor of Tavistock, and Mr. and Mrs. H. Walters.

Mrs. Florence Roberts of Sarnia was Friday the means of her husband Charles T. H. Roberts, being committed for trial on a charge of incendiarism. Mrs. Roberts, who is the mother of two children, testified that her husband, in March last, set fire to a house on Wellington street in which he was living at tenant, in order that he could collect insurance money on the furniture. Evidence showed that Roberts, following the fire, received $226 from the insurance company. His wife said the reason she had not told the story before was because her husband had threatened to kill her. She also alleged that he tried to induce her sister to insure her furniture for $1,000 and place it in the house for burning.

Children Cry for Fletcher's
CASTORIA

Fletcher's Castoria is strictly a remedy for Infants and Children. Foods are specially prepared for babies. A baby's medicine is even more essential for Baby. Remedies primarily prepared for grown-ups are not interchangeable. It was the need of a remedy for the common ailments of Infants and Children that brought Castoria before the public after years of research, and no claim has been made for it that its use for over 30 years has not proven.

What is CASTORIA?

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. MANY TROUBLES COME THROUGH THE BLOOD

If Kept Rich and Red Good Health Will be Yours

Nearly all the common diseases are caused by bad blood, weak, watery blood poisoned by impurities. Bad blood is the cause of headaches and backaches, lumbago and rheumatism, debility and indigestion, neuralgia, sciatica and other nerve troubles. It is bad blood that causes disfiguring skin diseases like eczema, and salt rheum, pimples and eruptions. The severity of the trouble indicates how impure the blood is, and it goes always from bad to worse unless steps are promptly taken to enrich and purify the blood. There is no use trying a different medicine for each trouble, for they all come through the one cause—bad blood. In conditions of this kind Dr. Williams' Pink Pills have been found very beneficial, as they have a direct action on the blood, enriching and purifying it. That is why this medicine is so often successful, after other remedies have failed—they reach the root of the trouble in the blood. Mr. Albert E. Giffin, Mount Pleasant, P.E.I., tells what these pills did for him. He says:—"Some months ago I was in a badly run-down condition. My blood was poor, I had no appetite and my work left me completely tired out. I fell off in weight, was altogther in a miserable condition. I was taking medicine, but it was not doing me any good. At this stage a friend who had used Dr. Williams' Pink Pills with beneficial results, advised me to take them, and acting on his advice I did so. The result can be summed up in a few words: I took the pills for a little over a month, when I can honestly say I never felt better in my life. I can now eat a hearty meal, do my work with comparative ease, and have gained in weight. I advise weak, run-down people to give these pills a fair trial."

You can get these pills through any medicine dealer or by mail at 50 cents a box or six boxes for $2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

WYOMING FAIR

Wyoming, Oct. 9.—The 66th annual fair of the Plympton and Wyoming Agricultural Society was held here on Friday and in spite of threatening weather the attendance was good, cars being parked in every available space in the afternoon.

At 1.30 Petrolea brass band headed a parade of school children from School Sections 6 and 7, up Broadway to the fair grounds. The pupils were prettily costumed and carried banners and streamers.

The agricultural hall was filled with fine exhibits of fruits, vegetables, grains, canned fruits, dairy products, fancywork, etc.

Mrs. Ambrose Bison had the honor of capturing Dr. Houghton's special first prize for the best baby under one year, while Mrs. White, of Wyoming, won second prize with her little boy. Mrs. Ronald Smith was third.

The exhibit from School Section No. 7 won first prize and attracted much attention, carved animals, dolls, beds, cardboard, and art work showed considerable skill on the part of the young generation. School Section No. 4 won second prize. The vegetables grown by the children were very large and deserve great praise.

School Section No. 4, Plympton, won first prize for the best parade. The children carried a large banner bearing the words "Britain's Bulwarks."

The entries of cattle and hogs were below the average, while those of sheep exceeded those of former years. A fine display of poultry was shown. The horses made an excellent showing and compared favorably with the larger fairs.

The secretary-treasurer, Wallace Rice, reports 1,000 entries; members tickets sold 300, and attendance upwards of 1,500.

An entertainment was given in Memorial Hall in the evening by the Skating Rink Association, followed by a dance in Butler aHll.
