

Answers to Correspondents.

T. J. S.—(1) We thank you for remarks re the Journal, (2) Your proposition is a good one, and we shall endeavor to carry out the business in the way you advise.

G. R. TORONTO.—Our advice under the circumstances is, hold them tight, you bought at the bottom of the market and the property is good.

ENGINEER, LONDON.—We will see what can be done and write you personally.

F. CRAWFORD, JERSEY CITY.—(1) We won't take the responsibility of advising you to come here for the purpose stated, unless you have a reserve fund to fall back on. (2) Yes, you can doubtless obtain work. (3) You can get all necessary tools and outfit here. (4) \$500 each at least.
