

HAMILTON Thorley Cattle Food

TESTIMONIALS

HAMILTON Oct. 24th, 1888

TO THE THORLEY CATTLE FOOD CO., Hamilton
GENTLEMEN,—We have been using your prepared cattle food amongst our horses for some time, and we have much pleasure in recommending it to horsemen as being a good article of food, and especially when horses are affected with influenza. With the latter we had a great many horses affected this fall, and by using your valuable food we were able to work them every day whilst affected. Yours truly,

THE SHEDDEN CO. (LIMITED),
J. HAMILTON, Agent.

The following is from J. & W. Watt, Salem, Ont.: "It is no more than fair that we should let you know that we fed your Improved Food more or less during 1886, 1887, 1888 and 1889, and are now quite decided in the opinion that yours is the best that we ever had."

FACTS TO BE NOTICED CAREFULLY.

Please remember we do not claim that our Food will cure all manner of disease. We do claim, however, that when fed judiciously, and AS DIRECTED, it will act as a preventative of many diseases, and will prove a source of ECONOMY in every instance. One cannot go astray in feeding it to animals not thriving, and to working horses, milch cows, animals fattening, sheep and fowls, especially in the winter season. Don't expect much improvement short of two or three weeks after commencing its use, nor feed a less quantity than directed. To obtain the best results, BE SURE AND FEED REGULARLY, keep the animals COMFORTABLE, and treat them KINDLY.
