Cure for Worms. B. A. FAHNESTOCK'S VERMIFUGE; Prepared by **B. A. FAHNESTOCK & CO. Pittsburgh, Pennsylvania.**

THIS preparation has now stood the test of several years' trial, and is confidently recommended as a safe and effectual medicine for expelling worms from the system. The unexampled success that has attended its administration in every case where the patient was really afflicted with Worms, certainly renders it worthy the attention of physicians.

The proprietor has made it a point to ascertain the result of its use in such cases as came within his knowledge and observation—and he invariably found it to produce the most salutary effects, not unfrequently after nearly all the ordinary preparations recommended for worms had been previously resorted to without any permanent advantage. This fact is attested by the certificates and statements of hundreds of respectable persons in different parts of the country, and should induce families always to keep a vial of the preparation in their possession. It is mild in its operation, and may be administered with perfect safety to the most delicate infant.

The genuine Vermifuge is now put up in one ounce vials, with this impression upon the glass, **FAHNESTOCK'S VERMIFUGE,** and the directions accompanying each vial have the signature of the proprietor; any medicine put in plain ounce vials, and the signature of which does not correspond with the above description, is not my genuine Vermifuge.

The Subscribers deem it their duty to use the above precautions in order to guard the public against mistaking other worm preparations for their deservedly popular Vermifuge.

We have appointed Mr C C Bristol, No 207 Main St Buffalo, N. Y. our Sole Agent for Western New York & Canada West. The medicine can be obtained there at our wholesale Pittsburgh prices. Terms Cash.

B. A. FAHNESTOCK & Co. For Sale in Hamilton by Messrs John Winer, T. Bickle, M. C. Grier, and C. H. Webster.

CAUTION

The public are cautioned against an Article put up by a notorious counterfeiter in New York closely resembling this medicine in appearance, and which he is endeavouring to force into market, on the well sustained reputation of Fahnestock's Vermifuge.

The only safety the public can have is in being very particular to call for Fahnestock's genuine article, and not confound it with other medicines under names somewhat resembling **FAHNESTOCK.** p. od. 1yl
