THE CANADIAN MINING MANUAL AND MINING COMPANIES YEAR BOOK

A Complete and Handily Arranged Work of Reference to the
Mining and Smelting Companies of the Dominion

ENDORSED BY THE MINING PROFESSION

Mr. S. M. ROBINS, Superintendent,
New Vancouver Coal Mining & Land Co., Nanaimo.

I take this opportunity of again expressing my appreciation of your carefully prepared and valuable work. I really do not know what we should do without it now, for one at once turns instinctively to it when seeking mining information of all kinds. In addition to the four copies ordered on enclosed slip, please forward one copy to the Secretary of the Company in London.

Yours truly,

Dr. C. M. PERCY, Wigan, England.

With this valuable book my readers are well in touch, and I need only repeat here what I have more than once written in this Journal, that for interesting and valuable information on Canadian mineral industries and resources, it could hardly be excelled. No person can know industrial Canada without it; any one may understand industrial Canada with it.

Yours truly,

THE JAMES COOPER MANUFACTURING CO. Limited,
Montreal.

The MANUAL is the most useful book in our office.

Yours truly,

JAMES MACBETH & CO., New York.

We appreciate the MANUAL very highly. It is just what we want, and we would consider it cheap at ten times the amount.

Yours truly,

THE INTERCOLONIAL COAL CO., Westville, N.S.

We are very much pleased with the MANUAL, and find it very useful for reference.
