CHRIST CHURCH.

THE HARVEST FESTIVAL was held on the 8th October. The Chancel and font were very beautifully decorated with grain, fruit, vegetables and flowers. The Holy Communion was celebrated at 8 and 11. Evensong was said at 8 by Rural Dean Pollard, the lessons being read by Messrs. Smith and Garrett, and the Sermon was preached by Mr. Troop, of St. Martin's, Montreal. The offerings of the day were for the relief of the poor during the winter. Owing to the absence of several members of the choir, the usual anthem was omitted; but the hymns of Harvest Home were taken up very heartily by all present.

There has been presented to the Church a very costly and beautiful veil and burse of green brocaded silk, in memory of the late Mrs. Bailey.

The materials were given, and all the very elaborate needlework was most beautifully executed by Mrs. Frank Clemow, of whose many lovely gifts of the same kind it is impossible to speak too highly.

The Daily Evensong and the Women's Bible Class have been resumed. The men's class will begin on the 6th November, at 7.30 p.m.

ST. JOHN'S CHURCH.

The first entertainment of the St. Johns' Church Association was held in the hall on Tuesday, Oct. 27th, and was a pronounced success. The spacious hall was filled, and the programme pleased everybody. One special feature may be noticed: Mr Jackson with what he called his Fairy Chimes. He produced from a very simple looking instrument a perfect imitation of a good peal of bells, raising each bell till they all chimed, then the firing, then letting them down and then the muffled peal. It was very well done and carried one's thoughts back to the hills and dales of the mother land, with silver tongued voices speaking from the many Church towers around.

The following evening Mr. Carter Troop of Trinity College, Toronto, gave a lecture on Lord Beaconsfield. For over an hour he kept the attention of the eager listeners and all were sorry when he finished. It is hoped he will visit us again with his new lecture on Sam Slick and a much larger audience will be present to hear him.

ST. GEORGE'S CHURCH.

St. George's Church was reopened Sunday, Oct. 18th, after considerable alterations. A chancel has been built out, which now contains the organ and choir, and in every way is a great improvement. Rev. Dr. Clark, of Toronto, preached morning and evening to a large congregation.

Dr. Clark gave a lecture on Carlyle on Saturday evening, Oct. 17th, in the basement of the church.

St. MARGARET'S, JANEVILLE.

Harvest Thanksgiving services were held at St. Margaret's Church, Janeville, on Wednesday, Oct 6th. Communion service was conducted by Rev. Mr Muckleston, of Christ Church, at 9.30 a. m., which was well attended. The evening service at 7.30 p.m., was taken by Rev. Mr. Pollard, of St. John's, and the attendance, considering the inclemency of the weather, was very good. The service was opened with the hymn "Onward Christian Soldiers," and a number of beautiful and appropriate Harvest hymns were afterwards heartily sung by the choir and congregation. Mr. Pollard preached an eloquent and instructive sermon from the text. "So teach us to number our days that we may apply our hearts to wisdom," Psalm 90, 12th verse.

The Church had been tastefully decorated by the ladies of the congregation and presented a very pleasing appearance.

The organ loft, windows, lamps, font, railings, etc., were covered with a mass of hanging vines, with ears of corn, rosy apples and grapes peeping out in every direction. The back of the altar was a veritable flower garden, and on one side of it stood a number of large sheaves of golden wheat. Bunches of purple grapes, wax berries and luscious plums
