Cocoas DUTCH PROCESS

are "Treated with Carbonate of Soda, Magnesia, Potash or Bicarbonate of Soda."

To partially supply the loss of natural flavor and color caused by this treatment, fragrant gums and dyes are used.

DR. SIDNEY RISSER, Professor of Medicine at University College, London, and Physician to the College Hospital, perhaps the greatest English authority on the action of drugs, states in his "Handbook of Therapeutics," that "the sustained administration of alkalies and their carbonates renders the blood it is said, poorer in solids and in red corpuscles, and impairs the nutrition of the body." Of ammonia, carbonate of ammonia, and spirits of ammonia, he says: "These preparations have many properties in common with the alkaline, potash, and soda group. They possess a strong alkaline reaction, are freely soluble in water, have a high diffusion-power, and dissolve the animal textures. If administered too long, they excite catarrh of the stomach and intestines."

For more than 100 Years the house of Walter Baker & Co. have made their Cocoa Preparations ABSOLUTELY PURE, using NO Patent Process, Alkalies or Dyes.

A LADY was engaged in domestic affairs when some one rang the street door-bell and the Roman Catholic servant was bidden to say that her mistress was not at home. She answered, "Yes ma'am, and when I confess to the priest shall I confess it as your sin or mine?"

AN eastern editor has invented a new way for stirring up delinquent subscribers. He writes obituary notices of them, assuming that they must be dead, since he does not hear from them.

THE foremost medicine of the day, Burdock Blood Bitters, is a purely vegetable compound possessing perfect regulating powers over all the organs of the system and controlling their secretions. It so purifies the blood that it cures all blood humours and diseases from a common pimple to the worst scrofulous sore, and this, combined with its unrivalled regulating, cleansing and purifying influence on the secretions of the liver, kidneys, bowels and skin, render it unequalled as a cure for all diseases of the skin. From one to two bottles will cure boils, pimples, blotches, nettle rash, scurf, tetter and all the simple forms of skin disease. From two to four bottles will cure salt rheum or eczema, shingles, erysipelas, ulcers, abscesses, running sores, and all skin eruptions. It is noticeable that sufferers from skin diseases are nearly always aggravated by intolerable itching, but this quickly subsides on the removal of the disease by B.B.B.

Passing on to graver yet prevalent diseases, such as scrofulous swellings, humours and scrofula, we have undoubted proof that from three to six bottles used internally and by outward application (diluted if the skin is broken) to the affected parts, will effect a cure. The great mission of B.B.B. is to regulate the liver, kidneys, bowels and blood, to correct acidity and wrong action of the stomach and to open the sluiceways of the system to carry off all clogged and impure secretions, allowing nature thus to aid recovery and remove without fail bad blood, liver complaint, biliousness, dyspepsia, sick headache, dropsy, rheumatism, and every species of disease arising from disorder of the liver, kidneys, bowels, stomach and blood. We guarantee every bottle of B.B.B. Should any person be dissatisfied after using the first bottle we will refund the money on application, personally or by letter. We will also be glad to send testimonials and information proving the effects of B. B. B. in the above-named diseases on application to T. MILBURN & Co., Toronto, Ont.
