

The Truth About Stoves

We would like to convince you that it is not true economy to buy a cheap stove or range because it costs little money.

You never get something for nothing in this world. We claim that when you buy a cheap range you are simply paying for cheap material and cheap, inexperienced labor.

In order that "SOUVENIR" Stoves and Ranges shall last, we make them of the very best material and employ the most expert workmen in their construction.

"Souvenir" Stoves and Ranges will not burn out, but will heat and cook perfectly, and will save fuel, save repairs, save worry and save money.
