## THE LATE DR. G. M. DAWSON, C.M.G., F.R.S.

The Ottawa Field-Naturalists' Club here places on record an expression of its deep sense of sorrow and loss at the death of Dr. George M. Dawson, C.M.G., F.R.S., F.G.S., F.R.S.C., &c., Director and Deputy Head of the Geological Survey of Canada, who was President of the Club for the years 1892, 1893 and 1894.

By his death Canadian science loses one of its most brilliant and distinguished leaders; one who by his varied intellectual gifts and ceaseless labours substantially advanced the scientific and material interests of the Dominion during the last quarter of a century.
