Corner of Sackville St. and Bedford Row.

**IMPORTANT TO CARRIAGE DEALERS  
AND USERS.**

**The Adjustable Sand Box.**

Can be applied to any vehicle in 20 minutes  
time by any ordinary mechanic. They are ORNA-  
MENTAL as well as useful, and no carriage is com-  
plete without them. It is economy for everyone to  
have them applied to their carriages, for the  
following reasons—

1st. You can save the wear of your axles 50  
per cent.; they are practical and are fast coming  
into general use. 2nd. You can run your carriage  
200 miles with one oiling. 3rd. Water, sand, mud  
and dirt cannot get in upon the bearing of the axle,  
hence the necessity of frequent oiling and the con-  
tinual wearing is avoided. 4th. Grease and dirt  
are not continually oozing from the axle bearing.  
5th. They are cheap and durable. One set will  
last a life time; but if necessary can be easily  
replaced with little expense. 6th. The first and  
only Sand Box ever invented to go on over a solid  
collar.

Livery-stable keepers generally are adopting  
them as a matter of economy. Every mail brings  
unsolicited testimonials from parties using these  
valuable improvements. Write for inducements,  
descriptions and cuts of the Adjustable Sand Box  
and Improved Concord Axle; if your dealer does  
not have these goods in stock send your order  
direct to me and I will forward promptly. DON'T  
BUY A VEHICLE WITHOUT THE ABOVE  
ATTACHMENTS. Address
