## Take a "T L" CIGAR

The "T L" Cigar is a perfect smoke because  
it is made of perfect tobacco.

It has a clear Havana Filler. Every smoker  
knows what that means.

Has a mild, delicate flavor—does not bite  
or sting.

Wherever good Cigars are in demand you'll  
find "T L" Cigars occupying a prominent place—  
and they pay big rent for the space.

Your dealer can supply you—that is, if he is a  
good dealer—ask for it and satisfy yourself that the  
many good things you hear about it is true.

"It brings Havana home to you."
