VICTORY OVER THE WORLD AND DEATH.

TRANSLATED FROM THE FRENCH OF CÆSAR MALAM.

*"Je vais enfin quitter la terre;
Je vais enfin entrer aux cieux."*

From earth at last I take my flight;
At length to enter heaven I fly.
There all is peace, there all is light,
There glory reigns with purity.
Come quickly, Jesus Lord, Amen.

The shadows flee, and dawning makes
The Holy City shine full nigh.
Behold the day! It breaks, it breaks!
My soul, this is eternity!
Come quickly, Jesus Lord, Amen.

The church of the first born above!
The Lamb in midst of them is King.
Still brighter burns their sacred love.
List to the new-made song they sing!
Come quickly, Jesus Lord, Amen.

I go to shout the victory glad,
Partake with them their holy joy,
I go, with robes of glory clad,
In their high strains to find employ.
Come quickly, Jesus Lord, Amen.

Leave me ye heavy mortal chains,
O sinful flesh fall to decay!
Labours and troubles, cares and pains,
I part with you and part for aye.
Come quickly, Jesus Lord, Amen.
