

BYRON WESTON

DALTON, MASS., U. S. A.,

HAS BEEN AWARDED THE

GRAND PRIZE GOLD MEDAL

AND RECOMMENDED THE

Medal of Honor and Perfection

At PARIS, 1878,

This being the HIGHEST and ONLY AWARD given for

LINEN RECORD AND LEDGER PAPER.

Also, the only Gold Medal given for Ledger Paper at the Adelaide, Australia Exposition, 1881.

A SPECIALTY.

THIS paper has received THE HIGHEST PREMIUM over all others from the Cincinnati Industrial Exposition, Massachusetts Charitable Mechanics Association, Franklin Institute of Philadelphia, Louisville Exposition, Medal and Diploma from United States Centennial Commission, Medal of Progress, American Institute, 1877, and Medal of Improvement and Progress, Boston, 1878. Its PRINCIPAL ADVANTAGES are as follows: 1 It contains more linen than any other Ledger Paper, has a longer fibre, and is consequently, tougher. 2. Having a harder and better body, and being more thoroughly sized, the ink spreads less after making an erasure. 3 It is more uniform in Weight, Color and Finish. 4 It never cookies if properly bound. 5 Its non-chemical action upon ink is such that it both writes and rules up better. For proof of the foregoing refer to a large number of Stationers, Bookbinders, Bookkeepers and Recorders, who have given it, after a severe test, the preference over all others. This paper is Double Sided, and will stand any climate or the most acid of the fluid inks.

Send for Sample Sheet, erase and rewrite four times on same spot.

Each sheet is watermarked Byron Weston's Linen Record.

Commercial Union.

We have it on good authority, that one of Erastus Wiman's strongest arguments, when addressing Americans in favor of his pet scheme, is, that they will then be able to buy Gillies Commercial Pen at 60c. per gross. At present the users of this pen under another name have to pay \$1.50 per gross.

We have received our second shipment of Dominion paperette, initial stamped in gold on each sheet and each envelope.
