**W**E have just issued a new Pharmaceutical Price List (Catalogue No. 95), a copy of which we would be pleased to mail to all established retail druggists who may write for it. We believe it to be most comprehensive in its scope, as it includes within its pages the prices on fully 4,000 pharmaceutical products, which are conveniently arranged in groups. The notes of reference given in the appendix should be of interest and assistance to the careful buyer. In order to comply with the request of the wholesale drug trade that all lists conform to a general standard as far as could be done consistently, we have adopted in Catalogue No. 95 a system of long prices with discounts, which are liberal. Our terms of three months' credit, no charge for containers, cartage, and boxing, are certainly worthy of consideration.
