## S. S. LESSON HELPS

FOR 1895.

### PELOUBET'S SELECT NOTES.

*A Commentary on the Sunday-school Lessons for 1895.*

Dr. Peloubet's twenty-one years' collective experience has enabled him to become minutely familiar with just the requirements of such a book, and his unrivalled library and corps of assistants bring to his hand the clearest thoughts of the world's profoundest students.

The first six months completes the Life of Christ studies, and will present in telling language the best thought of eighteen centuries regarding the life, work, and teachings of the Master.

In the latter half of the year the lessons are in the Old Testament, where such exact knowledge and careful instruction is needed in order to adapt to modern life the laws and history of the Israelitish nation.

## Webster's International Dictionary

Every Teacher and School should own it.

A College President writes: "For ease with which the eye finds the word sought, for accuracy of definition, for effective methods in indicating pronunciation, for terse yet comprehensive statements of facts, and for practical use as a working dictionary, 'Webster's International' excels any other single volume."

The diacritical marks for indicating the sounds of letters are so plain and intelligible as to be easily understood by old and young. Nearly all schoolbooks use them.

"It is The One Great Standard Authority the perfection of dictionaries;" so writes Justice Brewer of the United States Supreme Court, who voices the general sentiment.
