

Canterbury, we believe). It is small, yet presents striking features. Its spire glimmers in the sun and as it is of very graceful proportion and rises well above the roof, the cross (no small shrinking object, that one has to look scrutinizingly to see) is seen standing out clearly against the sky, and is observable from afar. The windows are all filled with stained glass, the gifts of young men, some of whom are recent converts to the Church. There are two or three features in the interior not common to Canadian Churches. One is that the chancel is more than usually elevated, and is not approached by steps rising along the whole front thereof, but by three steps, comparatively narrow, to the chancel gate alone. In the judgment of most, if not all, the stage or verandah like appearance given to the east end of the Church, is not pleasant and in many points undesirable. It certainly effectually separates the chancel from the nave, and will prevent careless intrusion on the part of the thoughtless or irreverent, of whom not a few are to be found in places where the Church is new. The second feature, not common, is, that the interior walls are devoid of all lathing and plastering, instead thereof we have the plain brick. Nevertheless it is much more effective than those not accustomed to see such would imagine. And the third feature not common is, that the sittings are chairs instead of pews or benches. There are two other churches thus situated in this diocese, St. John Evangelist in the city, and Trinity Church, Iron Hill. This new Church of S. Augustine is situated in what was not long ago an entirely Quaker religionhood. The place is yet the centre of Quaker gatherings, and it will, we fancy, be a pleasant thing to those taking part in such, to find that a "Steeple house" has found its way among them. The Rev. J. Kiltor (graduate of S. Augustine's) had the pleasure of presenting to the Bishop at the opening service, two young men to receive Holy Baptism, and eight persons, newly baptized included, for Confirmation, all of these, with one exception, were adults, and persons whose earlier religious training had been either among the Quakers or Baptists for the most part. As one witnessed the administration of these holy ordinances, one felt that the pastor had not only been erecting a material structure to the glory of God, but had also been doing the deeper and more lasting work of gathering and preparing "living stones" for the spiritual temple, that he had been preparing the hearts and minds of men, women and children, to be Temples of the Holy Ghost.

DIOCESE OF NEWFOUNDLAND.

We learn from the Times that the rite of confirmation was administered at St. Paul's Church, Harbor Grace, on Sunday last, by his lordship the Bishop of Newfoundland. His lordship arrived at Harbor Grace on the preceding day and preached in St. John's on the following morning, from the text—Jan. 10. 19. Although his discourse applied more particularly to the candidates for confirmation, it was a wonderful exhortation to all, and pointed out the necessity of gathering fresh strength by exercising the powers which God has given them. At the afternoon service about twenty-five candidates were present to receive the rite of confirmation, and before the laying on of hands, the bishop delivered a solemn address which must have been alike instructive to young and old. His lordship also occupied the pulpit in the evening, delivering a most effective discourse, and which it is hoped will bear fruit an hundred fold.

From the same paper we learn that the Church at Heart's Content, is to be enlarged, to meet the wants of an increasing congregation.

St. John's.—A public temperance meeting, under the auspices of St. Thomas Branch of the Church of England Temperance Society (says the Ledger) was held on Thursday evening, in St. Thomas's school-room. The Rev. A. C. F. Wood, chairman, opened the meeting with singing and prayer, and then called upon his lordship Bishop Jones, who addressed the meeting in his usual happy and earnest style. A reading and recitation followed, together with a few appropriate observations, from Mr. Knowling, when this very interesting meeting was brought to a close by singing the national anthem, and the benediction pronounced by his Lordship.

**PURE SPICES
BROWN & WEBB,
(LATE AVERY, BROWN & CO.)
WHOLESALE
DRUGGISTS,
—AND—
Spice Merchants,
HALIFAX,**

Invite the attention of readers of the Church Guardian to the UNRIVALLED EXCELLENCE

of the Spices ground and sold by them. For more than Twenty-Five years, our House has made

**PURE SPICES
A specialty.**

Having been Pioneers in introducing and advocating their use in place of the MISERABLE TRASH very commonly sold in these Provinces as Ground Spices. We were the FIRST, and for many years the ONLY packers of really Genuine Ground Spices in Halifax, and with little or no advertising

UNADULTERATED GROUND SPICES

have come to be recognized in most parts of Nova Scotia as THE BEST. The result has been the gradual creation of a demand for better Spices, and other packers and dealers have been forced to meet this growing improvement in popular taste by furnishing better goods than formerly.

Still while most grinders profess to supply Pure Spices, they also, send out several inferior grades, thus admitting that they practice adulteration. The recent reports of the analysis of Spices and Foods, by the Inspectors appointed by the Dominion Government have thrown fresh light upon the enormous extent of the adulteration practiced upon Spices. Reference to these reports will show that

BROWN & WEBB'S SPICES

have invariably stood the test, and been reported

Absolutely Pure Spice.

The only excuse for the adulteration of Spices is that the price is thus reduced; but this really only benefits the dealer at the expense of the consumer. In reality as the value of Spices depends only on its Strength and Flavor

The Best is Always the Cheapest.

Our sale of Pure Spices has increased to a very gratifying extent, and as we purchase the whole Spices in large quantities in the best markets of the world, we are enabled to offer our Genuine Spices at little, if anything, higher prices than are demanded for inferior goods of other brands. Be it understood, however, that we will never sacrifice the QUALITY of our goods to the rage for CHEAPNESS, but will always maintain the standard of purity which has given our brand of Ground Spice the preference wherever it is known.

Our Spices are ground by Steam Power, On Our Own Premises, packed in tin-foil packets of 2 ounce and quarter pound FULL WEIGHT, and labelled with OUR NAME. They may be had at all the leading retail grocers throughout the Maritime Provinces. We request the favor of a TRIAL of them by any who have not already used them. Convinced that their own merits will secure their continuous use.

- Ground Allspice.
- Ground Cinnamon.
- Ground Cloves.
- Ground Ginger.
- Ground Pepper.
