#### INCONTROYERTIBLE EVIDENCE.

A YOUNG LADY RAISED FROM A SICK BED.

HOPE FOR THOSE SUFFERING FROM NERV-OUS PROSTRATION, WEAKNESS AND LOW SPIRITS-HOW RELIEF CAN BE FOUND.

From the St. Mary's Argus.

The accumulation of evidence is what convinces. A man bringing a case before a jury without evidence to convince them of the justice of his plea has a poor chance, but when witness after witness is produced to back up his plea, then the jury easily find a verdict in his favor. This is the case with one of the greatest life-preservers known to the world at present. The evidence of hundreds and thousands of witnesses has been published testifying to its priceless value, and the jury — the public — are being convinsed. St. Mary's has many witnesses who could bear golden testimonials. The Argus gave recently a remarkable case in the cure of Mr. Gideon Elliott. Again we present another. Miss Mary Scott daughter of Mr. John Scott, had become completely prostrated; was pale, nervous, low-spirted and in such a condition as to alarm her parents and friends. She had not been able to leave her bed for over six weeks. Doctor's medicines were not helping her. Mrs. Scott had been reading of the wonderful cures effected by Dr. Williams' Pink Pills for Pale People and some acquaintances recommended them. She purchased three boxes and before the first box was an improvement and continuing the use of the pills Miss Scott was able to perform work about the house and is now enjoying better health than for years. Mrs. Scott also testified as to the great benefit she herself had derived from the use of three boxes of Pink Pills and declares that they would not be without them in the house.

An impoverished condition of the blood, or a disordered condition of the nerves are the fruitful sources of most ills that afflict mankind, and to any thus afflicted, Dr. Williams' Pink Pills offer speedy and certain cure. No other remedy has ever met with such great and continued success, which is one of the strongest proofs that Dr. Williams' Pink Pills accomplish all that is claimed for them. They are an unfailing cure for locomotor ataxia, partial paralysis, St. Vitus' dance, sciatica, neuralgia, rheumatism, nervous head-ache, the after effects of la grippe, palpitation of the heart, nervous prostration, diseases depending upon vitiated blood, standing on a quarter moon, emblematical of the Immaculate Conseption; bot- They are also a specific for troubles

peculiar to females, curing all forms of weakness. In men they affect a radical cure in all cases arising from mental worry, over-work, or excesses of any nature.

Dr. Williams' Pink Pills are sold only in boxes bearing the firm's trade mark. They are never sold in bulk, and any dealer who offers substitutes in this form should be avoided. These pills are manufactured by the Dr. Williams Medicine Company, Brockville, Ont., and Schenectady, N. Y., and may be had of druggists or direct by mail at either address, at 50 cents or six boxes for
