

The Housekeeper

once using E. B. EDDY'S INDURATED FIBREWARE TUBS AND PAILS will discard for good the out-of-style iron hooped article.

The reason is obvious: "Fibreware" is the lightest, tightest, most durable and satisfactory ware known, and besides being economical, eliminates to a great extent the worry and labor always attendant upon "wash-day."

All well-appointed Grocery Stores keep

E. B. EDDY'S
INDURATED FIBREWARE.

BOYS FOR FARM HELP.

The managers of Dr. BARNARDO'S HOMES desire to obtain good situations with farmers throughout the country for the boys they are sending out from time to time from their London Homes. There are at present nearly 5,000 children in these homes, receiving an industrial training and education to fit them for positions of usefulness in life; and those who are sent to Canada will be selected with the utmost care, with a view to their moral and physical suitability for Canadian farm life. Farmers requiring such help are invited to apply to
