## "LONDON PUMPS"

### ADAPTABLE TO EVERY REQUIREMENT

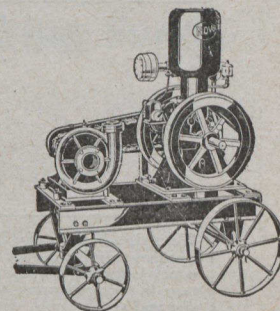

With a "London" Diaphragm Pump in your equipment you can quickly and efficiently drain trenches, sewers, excavations, etc. Novo Dust and Frost Proof Engines supply the power for these pumps, which can be furnished on truck or skids as ordered. It is easily shifted on the job and built to give continuous service.

The "London" Aurora Chain Driven Centrifugal Pump is a compact, smooth-running outfit that is easily moved and placed in operation for any requirement. Equipped with Novo Engine and built for general construction work, sewers, basements, abutments, cofferdams, irrigation or reclamation work. It is chain and sprocket driven and allows for wide range of speeds.

There is a "London" Aurora Pump for every need. Write for catalogue.
