Representatives, but the majority sent the full mubor of three to wion they were entitled under Artiose 3 of the Covename. Many of the Delegathons were acoupanted by tooknicen adrisers to assiat them in deeIng with the various teshnetion questions upon the Agende. It may be noted here that tha latgest -deno- gation of all was that from tapan. An anatysis or the chasacter of the Assembly nade acoording to the oritatul position ocupled by the chief Representatipe of cach comotry may be of interest; it ghows the following result:

| 9 | Chier Representatives mes | Maisters or menbens of corernment 15 or these - from malt porare - being Poraden Hinisterg). |
| :---: | :---: | :---: |
| 9 | \% | Er-Mnistera. |
| 23 | 4 \% - \% | Diplomats or Government Orideiels. |

3. Reathon of Rresidgt $(5-1)$, The proceedigs openod under the peotiatomat Chatmenshio of w Pail Eymeris of pelgumo a Prestaent of the Council of the Iageue for the time being. The oredentyas of the dolegates harine been vorsfied, the first bustness was the elestion of the Prestient of the first Asembly o end after a semet billot poul prane was declered elected.
4. Movistonat pules of mocecuse (GL. Fules of proaduro haik been drafted by the secretarist of the Leaghe for tho consideration of the hasomity. It was degiced at the outset that this drate ohould be adopen provthonaly untig permexent rules could be agreed unon: Tow the jatocr purpose the dwaft rules mere referred to a commtuee of the Assembly.
 docidea that there ghould be twelte vioc-pesidents of the Assembly, choser in the following manner: each of the str Commtices of the Assembly should electits om Ireaident and thereupon those presidents of comittee should become Viee-

Presidents.....
