

This inspection constitutes the first time Canada has availed itself of the rights granted under the Stockholm Document. It demonstrates Canada's firm commitment to the confidence- and security-building measures adopted in the Stockholm Document, and our conviction that by their implementation, these measures serve to strengthen confidence in Europe, giving expression to the duty of States to refrain from the use of force.

NOTICE

There will be a media opportunity with the team members at CFB Lahr, Federal Republic of Germany, after their return from Czechoslovakia late on Friday, June 16. For further details, contact the DND Office of Information Lahr at (011) 49-7821-206113, or the National Defence Headquarters Media Liaison Office at (613) 996-2353.
