Dear Mr. Glassco:-

With regard to the attached, please bring it up at the next meeting of our Finance Committee. I approve of it and I do not think the Committee will offer any objection, inasmuch as there is no expense involved in any way.

I believe the Anglican Church feel that the Reverend Abbott-Smith has just as much right to be a Professor as the Reverend Gordon. By adding as a Lecturer Reverend W.C. Graham we please the Methodist Church and there is no doubt of Reverend Graham's academic qualifications.

I think we can assume that the Board of Governors will approve of it and have it placed in the Calendar at once.

Please pass it on to Dr. Nicholson.

Yours faithfully,

Principal.
