

September 30th, 1927.

Miss Elizabeth B. Ross,  
Superintendent, Olean General Hospital,  
Olean, New York.

Dear Miss Ross:-

Thank you for your letter of  
September 27th.

We are, of course, looking for  
a successor to Miss Shaw. I shall be very glad to  
ask the Committee to give your application every  
consideration.

The last words of your letter -  
"for your information, please" are very familiar.

Yours faithfully,

Principal.
