

NOTE TO REVISED EDITION.

WHEN this book was written, I was unable to gain access to certain indispensable papers relating to the rival claimants to Acadia, — La Tour and D'Aunay, — and therefore deferred all attempts to treat that subject. The papers having at length come to hand, the missing chapters are supplied in the present edition, which also contains some additional matter of less prominence.

The title of "The Old Régime in Canada" is derived from the third and principal of the three sections into which the book is divided.
